### MEN WHO INSULT WOMEN

#### TOUGHS WHO DELIGHT IN CAUSING ANNOYANCE.

Class of Men in Pendleton Who Have No Respect for Womanhood and Take Pleasure in Showing Their Lack of Manhood.

Pendleton is rapidly becoming overrun with a class of men who are unfit to breathe the same air or walk the same street with a woman; men who take delight in causing the gentler sex annoyance, and at the same time showing their own boorishness and lack of manhood.

It is getting so respectable women are afraid to walk the streets after dusk for fear of the insults of these fellows who seem to find genuine pleasure in causing fear and disgust in the minds of decent women.

In nearly any town there are always isolated cases of reputable women being insulted on the streets, but of late it is becoming so common here for a woman on the main streets after twilight to have filthy remarks made to her or other insults offered her, as to call for strenuous action, either on the part of the police, or of the citizens themselves if they cannot bear the annoyance in any other way.

#### The Tramp Nuisance.

Only a few days ago a tramp appeared at the home of a young couple in this town, asked for, or rather demanded something to eat, and as soon as told that his demands would be supplied, pushed past the young wife into the house, where he made himself very much at home. In preparing a lunch for her unwelcome visitor it was necessary for the young woman to go down into the out-door cellar for a couple of slices of bread.

When she started up the cellar steps the young woman was startled to find that the tramp had left the house and was just descending the steps to come into the cellar where she was. Perhaps fortunately, the woman had taken a carving knife to the cellar with her, and the presence of the weapon saved her anything more than the annoyance and shock of seeing the tramp so unexpectedly. Although he made no remarks particularly offensive, the entire demean-

or of the hobo was most arrogant and insulting, and it was with a deep sigh of relief that the housewife saw him depart. Other women have undergone similar unpleasant experiences recently.

#### Insulted Young Women.

A night or so ago two well-known young ladies of the city were wending their way homeward after a social visit with friends, when, as they were crossing the bridge at the head of Main street, two tough-looking characters rolled up and attempted to take the young women's arms, saying, "they guessed they'd go along." The young ladies broke away from the toughs, but their persecutors persisted in their attentions until finally a masculine friend was appealed to and escorted the women home, the toughs slinking away immediately a man appeared.

Several other cases of women being insulted by such characters have been reported recently and it is time a halt was called.

#### Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucus surface.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.
