**Better to Kill Than Save.**  
The government pays pensions to the widows and orphans of soldiers, men engaged in battle, but none to the families of the Coast Guard Life Savers, killed in their service, which is no less arduous and dangerous than the battlefield. Both are heroes and are entitled to and should receive grateful recognition for their self-sacrificing deeds. An intensely interesting exhibit in the arena of Buffalo Bill's Wild West is that by which a crew of life savers, on furlough from the government service during the summer, show how they reach a wreck with their lines and operate a "breeches buoy" to save lives. To be seen here on August 20.

**A HORRIBLE FRAY.**  
Printers Will Go After Wonders Tomorrow at Alta Grounds.  
At the Alta street diamond tomorrow afternoon, a terrible massacre will take place when the printers will go up against the Wonders in a game of baseball, and before the performance is over someone will be wondering where they are at.  
The show will commence at 3 o'clock and last until the crowd gets tired, when the game will be called off and the side having the largest number of errors will be declared the winner. The managers have issued an order that any player failing to make six errors each inning will be drummed out of the team by Spoonamore's drum corps.  
An admission fee of 10 cents will be charged and the proceeds will go toward fixing up the baseball grounds and improving the outfield, which is not in the best condition. A good crowd is expected to turn out as those who attend will not only be helping put the ball grounds in first-class condition, but will get about four times their money's worth of fun.

**A Post Check.**  
A bill has been before congress to retire the present five, two and one dollar bills and substitute notes, payable at any postoffice, which shall pass as currency. If it becomes a law it will prove as invaluable to many forms of business as Hostetter's Stomach Bitters is to those who are weak and sickly. To such persons this medicine will prove a blessing, because it contains only such ingredients as will build up and strengthen the entire system. It will tone up the stomach, restore the appetite and cure heartburn, belching, headache, indigestion, dyspepsia, constipation, biliousness and insomnia. Don't fail to try it, but do not accept a substitute if you value your health. There is no medicine so good as the bitters. For sale by druggists.
