SOCIETY Events of the Past Week.

Those who attended the informal two-step given at Kine's grove Tuesday night declare it was one of the most delightful affairs held in Pendleton for many a day. The dance was gotten up on the spur of the moment and very little time was spent in arranging for it, but this did not tend to mar the success of the affair. The crowd was select and just enough were there to keep the floor full of dancers from 9 in the evening until after 11 o'clock. Refreshments were served. Kirkman's orchestra furnished the music.

Thursday Night Dance.

Again Thursday night a few young people of town gathered at Kine's grove and enjoyed several hours dancing to music furnished by Kirkman's orchestra. The dance was gotten up in a hurry and not a very large crowd was present, but those fortunate enough to be able to attend had an enjoyable time. These informal dances have only started at the grove, and will be kept up the rest of the season.

Lodge Social.

Wednesday evening the Pioneers of the Pacific gave another of their de-

lightful informal dances. Owing to the heat, not a large crowd was present, but a good time was had by those in the hall. The Wednesday night affairs of the Pioneers are becoming noted and are a great drawing card for the order.

A New Feature.

Harmony Assembly No. 113, United Artisans, met last Thursday evening for their regular semi-monthly social meeting. After the usual business was disposed of, the gentlemen were informed that the ladies had brought cake with them and that it fell to the lot of the men to furnish ice cream. This proposition was immediately accepted, tables and chairs arranged and when all was ready the guests sat down and enjoyed a feast. During the evening a few games of ping pong and the century bicycle were indulged in by the members. Henceforth games are to be a permanent feature of each meeting of the order. Various games are to be added and it is believed this feature will make Harmony Assembly the best attended order in the city. Members are requested to be present at the next meeting, August 21.

About 100,000 gallons of water was used from the city water works or Independence Wednesday, this being the most ever used from the plant in one day.

For Bantam Championship. St. Louis, Mo., Aug. 9.—Harry Forbes, of Chicago, and Johnny Reagan, of Brooklyn, are in excellent condition for their 20-round bout, which is slated to be pulled off before the West End Athletic club tonight. The fight is to determine the bantam-weight championship, the title of which is now held by the Chicago fighter. Both boxers finished their training yesterday, and will rest until they are called upon to enter the ring to begin their battle. The contest has been widely discussed during the last few weeks, and a big crowd will be on hand to see the fight. It will be the second time the two have come together in the ring of the West End club. Their last encounter resulted in a draw after 20 rounds of as fast fighting as was ever seen in this city.

Negro Congress Nearing Close. Atlanta, Ga., Aug. 9.—Though the great negro congress has been in session four days and is now nearing its close the scores of participants show no diminution of interest in the proceedings. Almost without exception the visitors were up with the sun this morning and the various churches of the race were well filled at the early morning prayer services. At 9 o'clock the general sessions were resumed in the Piedmont park auditorium with I. B. Scott, D. D., editor of the Southwestern Christian Advocate, in the chair. The educational life of the race was the general theme of the day's discussions. Various phases of this subject were ably presented by the speakers, who included Rev. Geo.

W. Moore, field secretary of the American Missionary association; Rev. W. Bishop Johnson, D. D., Washington, D. C.; President Booker T. Washington, of the Tuskegee Normal Institute; Prof. John R. Hawkins, Kittrell, N. C.; Rev. W. H. Weaver, D. D., field secretary of the board of missions for freedmen; Rev. H. A. Monroe, D. D., of Philadelphia; and Rev. M. C. N. Mason of the Freedmen's Aid and Southern Educational society. Tomorrow the pulpits of the negro churches will be occupied by the prominent visiting divines.
