VERY DIFFERENT FROM LAST YEAR.

"Your circular" emphasized the early arrival at the seaside resort, "say that some of the most important changes have been made in your hotel, yet it seems just as if it had been years."

"My dear sir," answered the proprietor, "have you not noticed that the clerk has his gunned coat and pants his hair on the side instead of in the middle?"

KNIGHTS IN SAN FRANCISCO

FOLLOWERS OF DAMON AND PYTHIAS GATHER.

Grand Biennial National Encampment Knights of Pythias Being Held at Golden Gate City.

San Francisco, Cal., Aug. 9.—This city is today the mecca of tens of thousands of the most prominent and representative citizens of the United States. From every part of the country, from far-away Maine and Massa-chusetts, from Florida and Oregon, and from all the commonwealths be-tween, the representatives of the Knights of Pythias are gathering for the national biennial encampment and the meeting of the supreme lodge of their order. Evidence is not lack-ing in support of the statement that it will be the greatest fraternal gather-ing in the history of this country, in point of numbers, as well as in splendor.

For more than a year the commit-tee of reception and entertainment, composed of the most prominent and active members of the order in Cali-fornia, has been preparing for the ad-vent of the mighty hosts that will so-journ in this city and suburbs for the next six days, and even thus early the thousands of strangers are willing to admit that its work has been well done. In the matter of decoration, it might be said that even Solomon in all his glory was not arrayed as is the business section of San Francisco today. On every hand, over doors and windows, spanning the streets, or floating from tall staffs, are the well known emblems of the order, with a plentiful profusion of the stars and stripes. The public buildings, private residences and business blocks alike are gayly decorated, while across many of the principal streets are mag-nificent arches. Van Ness avenue, the broadest and finest residence street of the city, has been transform-ed into one grand fair for the entire length of 35 blocks on each side of which every county of California has an elaborate and interesting exhibit of its resources.

The advance guard of visitors ar-rived today and before tomorrow noon a score more of special trains will reach the city. A glance at the reg-isters of the leading hotels shows that there is not a state in the Union that is not adequately represented. A noticeable feature of the gathering is the large number of visitors who are attracted simply as spectators. Rail-road officials estimate that by the time the encampment opens on Mon-day there will be no fewer than 100,000 strangers in the city. For the accommodation of this host, private resi-dences have been thrown open in ad-dition to the hotels and boarding houses. Five thousand bunks also have been placed in the Mechanics Pavilion, while the members of the uniform rank are to be accommodated in tents furnished by the war depart-ment.

Look Pleasant, Please.

Photographer C. C. Harlan, of Ea-ton, O., can do so now, though for years he couldn't, because he suffered untold agony from the worst form of indigestion. All physicians and medicines failed to help him until he tried Electric Bitters, which worked such wonders for him that he de-clares they are a godsend to sufferers from dyspepsia and stomach troubles. Unrivaled for diseases of the stom-ach, liver, kidneys, they build up and give new life to the whole system. Try them. Only 50c. Guaranteed by Tallman & Co., druggists.
