SUMMER SHOES FOR SUMMER COMFORT

The hot season will pass pleasantly if you use caution in selecting the right footwear.

Low Shoes, Canvas Shoes, Canvas Oxfords

Are the correct things if you would enjoy the real comforts of summer life.

THE NEW FACULTY

SECURED FOR THE

Who They Are and Where They Come Bright-Progress for the Institution and Courses of Studies.

President F. L. Forbes, of the Pen-

Forbes has been at the head of this produced in the East Oregonian. educational institution and to his efforts are due, to a great extent, the present prosperous condition of the institution. Mr. Forbes anticipated leaving the academy at the end of his last term and taking up work in other quarters. In fact, he earnestly protested when the board reappointed him to the presidency of the academy for the seventh term, but this did no good and the unanimous vote of the board and patrons of the school caused him to reconsider and again agree to take up the work in the

The Faculty.

President Forbes is an educator of ability. He is not only an educator, but is a man with business ability, who is able to see where to place his energies to count for the most good to the institution which he represents. He is a graduate of Brookport State Normal School, of Brockport, N. Y.; has had the bachelor's and master's degrees from Lake Forest University. He also is a graduate of McCormick Theological Seminary, of conferred the dergee of doctor of di-

W. S. A. Wilson.

W. S. A. Wilson is a new man. He arrived a week ago and will be assistant principal. He comes to Pendleton with a flattering reputation. For the past 12 years he was principal of Elder's Ridge Academy, at Elder's Ridge, Pa. He is a graduate from that school and the Edenboro State Normal, and has an A. M. degree from the Grove City College. He was instructor in Latin in the Elder's Ridge Academy, and taught the same subject in East Liberty Academy, in Pittsburg. The fact that he taught for 12 years in as high an educational institution as the Elder's Ridge Academy is ample evidence that he is an instructor who will prove of much good to the Pendleton institution. He A. F. Statter, editor of the Walla has a wife and two children who are with him.

Carl Otto Kloepfer.

of the academy instructors. He will & Co.'s. teach German and mathematics. He is a graduate of the Michigan Military Academy and Michigan State University. He comes with a very rested this morning by Chief of Police high recommendation as a teacher of Blakley, charged with the theft of a the academy in the future more than named Johnson. McDonald was workduring the past. He has not arrived ing with the harvest crew of Henry yet, but is expected here with his wife moistrom, northwest of Pendleton. in the near future.

Miss Miriam Strong.

Miss Miriam Strong, of Portland, has been secured to take the place of Miss Wallace, who resigned to take a college course at Whitman College, Walla Walla. Miss Strong is a graduate of the Portland Academy and has spent two years at Bryn Mawr. Pa. which is a school of high reputation for girls. She also has the very highest reputation as a teacher and is a lady of refinement and culture.

Mrs. Carrie B. Forbes.

The intermediate department will W. H. Dindinger. of the firm of again be under the care of Mrs. Carrie B. Forbes, who has been superintendwas again prevailed upon to take the is considered one of the best instructors in the state. Especial attention will be given to the primary department of the academy the coming term and every effort will be made to make it stronger than ever.

Mrs. Effie Patterson.

Miss Effie A. Patterson will have charge of this department. She is a graduate of the University of South Dakota and has had much experience in primary work. She spent five years at Gettysburg, S. D., and holds state certificates from both that state and Iowa. She is also specially fitted for kindergarten work and nature study, and these features will be strengthened by her.

Miss Grace Beagle.

Miss Grace Beagle, who has assisted successfully in the primary department for the past three terms, has been re-employed. She is a Pendleton young lady and is an excellent

No Weak Points. From the above it can readily be seen that the new faculty is a strong emy may be looked forward to with confidence by the patrons of the school

Again it may be stated that the outook for the future never was so bright as it is today. The academy last year matriculated 200 students in its various departments, and already PENDLETON ACADEMY, the outlook will warrant the assertion that the number will be largely swelled the coming term. The acad-From-Outlook for the Future Very emy has now become one of the fixtures in Pendleton and has passed its infancy and struggling period until now it is in a condition to begin the erection of a new building. This will dleton Academy, has announced his be commenced shortly and be comcorps of assistants for the coming pleted for occupancy for some of the coming term. Three Departments, sists of four years' course, based upsufficient for college entrance. The course qualifies the student for adof institutions whose graduates are permitted to take the teacher's state minerals or manufactured goods. certificate so that graduates from the academy, by taking a special course of 27 weeks in special normal studies. will be admitted to the state examinations on the same basis as gradtution in the state.

Business Course.

The business course gives thorough Chicago, and Grove City College, Pa., course in bookkeeping and commercial law, thus offering similar work to that of the best institutions in the west. The student has the advantage to carry any studies in the academic course while taking the special business course and while gaining a bus iness education can be progressing along other educational lines.

The courses of study include every branch taught in any of the academies in the country whose aid is at giving the student a practical business education.

All Were Saved.

"For years I suffered such untold misery from bronchitis," writes J. H. Johnston, of Broughton, Ga., "that often I was unable to work. Then, when everything else failed, I was wholly cured by Dr. King's New Discovery for Consumption. My wife suffered intensely from asthma, till it cured her, and all our experience goes to show it is the best croup medicine in the world. A trial will convince you it's unrivaled for throat and lung Carl Otto Kloepfer, of Plymouth, diseases. Guaranteed bottles 50c and Ill., is another new man on the staff \$1.00. THE STATE FAIR.

Agricultural Exhibit at Salem Will be

a Success.

No time in the history of the Oregon State Fair has there been such a good feeling among the agricultural classes towards the success of the fair as exists at the present time. Every section of the state seems to be taking an interest in the fair and promise to give it their hearty support. There are reasons for this awakening of the people to the support of the fair. One is, the management has worked hard and faithfully to make the fair as broad as the state itself.

The transportation companies have come to their assistance and made very liberal rates on hauling exhibits The academy contains three depart- of all kinds. Another is, the people ments of academic grade, designed to are beginning to realize that it is meet the needs of the different classes time to let the outside world know of of students, but it is intended to lay the resources of our state, and bemain stress upon the academy prop- lieve that the State Fair is the proper The work in this department con- place to meet the better class of home seekers. This will make the fair on Latin, Greek or German including doubly valuable. It will give those English, science and mathematics who are looking for homes on the Pacific coast an opportunity to see in a completion of the regular academy body what our state can prooduce, and where it is produced, without travelmission into such high standing edu- ing all over the state at great excational institutions as Yale, Prince pense. It will also give the exhibitor ton or Stanford.
