### BOSS MATTHEWS

(Concluded.)

state and not a particular section thereof to the detriment of all others.

#### Scott's Turn.

The abrupt political turn made by Mr. Scott both surprised and disconcerted many republicans throughout the state. His riding rough-shod over political friends who had stood loyally by him for years—sending them in a confused heap to the political junk pile—has alienated some who formerly were counted among his firmest supporters. This bitterness of feeling is said to extend to such a degree that it is questionable if his new political alliance fully balances the losses sustained by the disaffection it has engendered. But with all this and his repeated declaration that he is not a candidate, Mr. Scott is still a possibility.

#### Newspaper Men for Scott.

Corvallis, Or., Aug. 14.—Members of the Oregon Press Association arrived here this afternoon, en route to Newport, on Yaquina Bay, where they hold their annual session during the coming three days. The newspaper men have been discussing the proposition to adopt two resolutions of the following import:

One indorsing the idea of electing a newspaper man as United Senator from Oregon to succeed Joseph Simon.

One indorsing the idea of electing a newspaper man speaker of the Oregon house of representatives.

It is believed that these resolutions will go before the association tomorrow.

#### Meaning of the Resolutions.

The meaning of the two resolutions is:

Indorsement of the candidacy of H. W. Scott for the United States senate.

The indorsement of Frank Davey, a Salem newspaper man, for the speakership.

This meaning is conceded to be the animating motive, inasmuch as these gentlemen are the only newspaper men who are candidates for the positions mentioned.

It cannot be ascertained what will be the effect of the resolution, in the event they are offered, as seems to be assured. But it is understood that there will perforce be some opposition to the organization thus entering the field of politics as a body.

#### MRS. SADIE CARNEY.

Wife of Sam Carney, Died at the Walla Walla Hospital Thursday Morning.

Mrs. Sadie Carney, wife of Sam Carney, of the Pilot Rock country, died at the Walla Walla hospital at 2 o'clock Thursday afternoon.

Mrs. Carney has been sick for some time. A few days ago her physicians concluded that she must undergo an operation. She was taken to the Walla Walla hospital and operated upon for a tumor, but never rallied after the operation. Her condition was very serious when the operation was performed and her life was despaired of, so that her death was not unexpected.

Mrs. Carney was 36 years of age, was the daughter of John Owens. Besides her heart-broken husband, she leaves many friends to mourn her untimely taking away.

The body was brought to Pendleton on the evening O. R. & N. train and left at M. A. Rader's undertaking parlors until this morning, when it was taken to Pilot Rock for burial.

#### Spokane Interstate Fair.

There will be something doing every moment of the day and until 11 o'clock at night at the Spokane Interstate fair this year.

Given by Prof. E. E. Elliot and Dr. S. B. Nelson, of the Agricultural College at Pullman, Washington, for the best herd of beef cattle. Amateur prize, silver cup. No person having exhibited a herd of beef cattle at Spokane prior to 1902 can compete for this cup.

The dates of the Spokane Interstate fair are Oct. 6 to 14 inclusive. The ideal season of Washington and time of year when the farmer, fruit grower, stock raiser and ranchman is through his labor and in position to attend the fair and enjoy himself with his family and neighbors. The management promise big times this fall in all departments and are expecting a big attendance as the railroads are going to give greatly reduced rates during the fair.

The Excursion to Walla Walla. The two baseball games at Walla Walla Sunday between the "Indians" and the "Sharpshooters," promises to be of incomparable interest, rivalry between the two teams now being at a sizzling heat. A large crowd will undoubtedly go from Pendleton and help our boys win. The train that is to carry the excursionists will leave the O. R. & N. Depot at 8:15 a. m. sharp. Returning, will leave Walla Walla at 7:30 p. m. Round trip, \$1.

#### Help Wanted.

THE MEN'S OUTFITTERS.

Connecticut Version of Tracy. A New Haven paper has this to say about Tracy:

"The noted outlaw Tracy, who has led the officers of Oregon and Washington a month's chase through the mountains, shot himself yesterday in a wheat field around which a posse of citizens were picketed. This man's record of crime began when a fellow miner ran away with the woman he was to marry himself."

#### Shatters All Records.

Twice in hospital, F. A. Gullledge, Verbena, Ala., paid a vast sum to doctors to cure a severe case of piles, causing 24 tumors. When all failed, Bucklen's Arnica Salve soon cured him. Subdues inflammation, conquers aches, kills pains. Best salve in the world, 25c at Tallman & Co.'s drug store.

#### Beats the Slipper.

A New York man has invented a machine for paddling children by electricity and wishes to sell it to the public schools. He claims that it eliminates the personal factor in punishment so far as the instructor is concerned and thus enables a boy to take his lickings without ceasing to love his teacher.
