There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it to be a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore rewith local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disasse, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co. Toledo, Ohlo, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it falls to cure. Send for circulars and testimonials.
