HOME COUNTY NEWS

NEWS OF ATHENA.

Laying of Corner Stone for New
Church — Personal From the
Press.

The corner stone of the new Chris-
tian Church, being built at this place,
will be laid next Sunday afternoon at
4:30 o'clock. The new church, which
is to stand at the corner of Fifth and
Adams streets, is to be one of the
finest churches in the county.

Miss Aicy Foss was in Pendleton
yesterday.

"E. O." Spence was up from Pendle-
ton Wednesday playing his old
trick—hustling for his newspaper.

Miss Kitty Sharp went down to
Pendleton Wednesday to make applica-
tion for a school in the Juniper
district.

Mrs. Callender and daughters will
leave Athena the first of the week
for Portland, where they will make
their future home.

Keller Bros., the brickmasons, are
up from Pendleton. They have the
contract for laying the wall for the
new Christian Church.

Tharp Bros. have started suit in
Justice Chamberlain's court against

Louis Bergevin for the recovery of
money due on a note. Will M. Peter-
son is attorney for plaintiffs.

The many friends of Miss Beth
Bradley will be pleased to learn that
she will arrive in Athena next week
on a visit. Miss Bradley left her
home in Omaha Saturday, and is now
in Portland.

HANGS HIMSELF.

Gottlieb Werner, Formerly of Helix,
Commits Suicide at Connell.

Helix, Sept. 6.—Gottlieb Werner, a
homesteader of Franklin county, liv-
ing a few miles from Connell, com-
mitted suicide by hanging himself to
a coat hook in the Connell hotel
Wednesday night. Werner had been
working in the harvest fields of the
Eureka Flat country and returned
home several days ago. After arriv-
ing he spent most of his time in town
and was drinking heavily. He be-
came despondent a few days ago but
his friends did not think he intend-
ed doing away with himself and paid
little attention to him. He is of
German descent and is single. Little
is known of his relatives. He was 54
years of age.

THE NORMAL OPENS

NEW BUILDING ALMOST
READY FOR OCCUPANCY.

Faculty All Secured and Future Out-
look Bright—Much Wheat Sold—
News of a Personal Nature From
the Weston Neighborhood.

Weston, Sept. 6.—The Eastern Ore-
gon State Normal will open its doors
for the 1902-3 term next Monday
morning.

The first day will be consumed in
enrolling students and getting things
in working order and the actual class
work will not begin until Tuesday.
The outlook for the coming year at
the normal is much brighter than
ever before in its history.

A large number of students who
have signified their intention of en-
tering the normal will not be able to
enter at the opening owing to the
harvest work not being completed.
Notwithstanding this fact, however,
the faculty, and especially the re-
gents, are well pleased with the out-
look and the number of students now
in sight. Many are coming from a
distance and the school will be filled
with students from all over the state.
Although the dormitory will accom-
modate a large number of boarding
students, the faculty is making every
effort to get rooms and board at
private houses as a shortage in accom-
modations is anticipated.

The new faculty, as announced a
few days ago, has been secured and
all are pleased with them. Professor
Martindale, who is to be at the head
of the institution, comes with high
recommendations and all of the other
teachers are instructors of much ex-
perience and ability.

The new building is not yet ready
for occupancy, but all it lacks is the
placing of the furniture and curtains.
When this is finished the school will
remove from the old building. The
board of regents is rushing things as
rapidly as possible and it is expected
that the school will be in the new
quarters by the first of October. The
new building is first-class in every
respect. It is said to be one of the
strongest and most substantial new
school buildings in the Northwest,
and its interior arrangements are
modern and up-to-date.

Wheat Sold.

Farmers hereabouts are selling
their grain freer than the farmers of
any other part of the country, accord-
ing to reports. R. Jamieson,
agent for the Pacific Coast Elevator
Company, has purchased the follow-
ing lots of grain within the last few
days: From J. H. Key, 750 sacks;
O. F. Scrimsher, 400 sacks; Mrs. R.
Reynolds, 116 sacks; J. H. Price,
agent of the Kerr, Gifford Company,
bought 1000 sacks of barley, 775 sacks
of wheat; of A. R. Landsdale, 800
bushels; of Iy Winn, 800 bushels;
M. A. Bryson, 250 sacks; C. C. Barth,
1250 sacks; S. F. Hyatt, 300 sacks;
J. N. York, 5500 bushels; A. B.
Woods, 4000 bushels; J. B. Hart, 1000
bushels. In addition to the above
sold within the past few days, sev-
eral small lots have been sold and
before this many other large crops
were contracted. The wheat sold
mostly brought 50 cents, but a little
of it, which rated as off grain, sold
as low as 47 cents. The barley
brought 75 cents.

Local News.

Hon. T. C. Taylor, ex-senator, was
in town Thursday and in company
with Hon. G. W. Proebstel, examined
the new state normal building and re-
ported that the story circulated that
the building was cracked and settl-
ing, making it unsafe, was absolutely
false. Mr. Taylor says the building
is perfectly safe.

The Misses Ellice and Pearl Willis
have gone to Pendleton, where they
have been entered on the staff of the

Pendleton high school. Miss Alma
has gone to Ellensburg to resume
her studies in the Washington state
normal, and Miss Elizabeth left last
Saturday for Roseland, B. C., to en-
gage in teaching. The latter was ac-
companied by her younger sister,
Miss Welthy.

Link Swaggart got four shots at a
big black bear, near the Toll Gate,
a few days ago. This is supposed to
be the same bear which has frighten-
ed the Toll Gate country about this
time of year every season for the
past three or four years, and is seen
by hunters and stock herders.

The authorities are making an ef-
fort to protect the bridges and prop-
erty in this city from the ravages of
Pine Creek. Every year this stream
has played all kinds of pranks with
the bridges near town, and many
have been washed away, costing the
county several thousand dollars to
repair them. The authorities have
become tired of this and are going to
put a stop to the whole matter if pos-
sible. A long buttress is being built
in the lower part of town for this
purpose and the protection of these
bridges.

Weston Mountain adds to its re-
nown by an excellent yield at the Joe
Wurzer place, four miles east of
town. Mr. Wurzer got 1640 sacks
from 80 acres, or 47 1/2 bushels to the
acre, counting 135 pounds to the
sack, which figure many of the sacks
will certainly outweigh. About three
bushels were lost per acre. His bar-
ley averaged 45 bushels.

Rev. C. H. Nye, an Oregon pioneer
and a well-known "old timer," of the
Weston neighborhood, is here on a
visit at his son's home near town,
and will remain for three months
among old friends and scenes. Mr.
Nye is now a resident of Westport,
Wash.

Miss Clara Taylor arrived Monday
from Eugene, and begins teaching
next week in the March district on
Dry Creek. She was met at Pendle-
ton by her brother, C. H. Taylor.

R. E. Bralley, late of Wasco, Or.,
is in the city, and contemplates lo-
cating in Weston for the winter to
school his children. Mr. Bralley is
a retired farmer, having sold his
ranch in Sherman county.

Miss Edna Moulton has gone to
Basket Mountain to teach school this
fall and winter in that neighborhood.
Miss Moulton was among the applica-
nts receiving second grade certifi-
cates at the recent county examina-
tion.

W. J. Baker and family have re-
turned from an extended outing at
Hidaway Springs. They leave in a
few days for San Francisco and will
reside permanently in California if
Mr. Baker's health is thereby benefi-
ted.

R. H. Simpson is recovering from
a very painful attack of erysipelas
in the hand. Mr. Simpson expects to
return soon to his business at Baker
City.

Mrs. Jane Hartman, of Pendleton,
is visiting at the residence of her
daughter, Mrs. George Marsh.

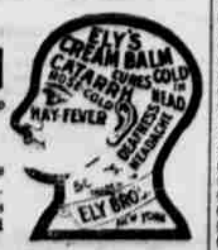

Henry Lane, a bartender, shot R.
M. Pridemore twice at Burke, yester-
day and Pridemore died soon after-
ward. The case appears to be one
of murder. Lane is in jail.

Nasal CATARRH

In its stages there
should be cleanliness.

Ely's Cream Balm
cleanses, soothes and heals
the diseased membrane.
It cures catarrh and drives
away a cold in the head
quickly.

Cream Balm is placed into the nostrils, spreads
over the membrane and is absorbed. Relief is im-
mediate and a cure follows. It is not drying—does
not produce sneezing. Large Size, 50 cents at Drug-
ists or by mail; Trial Size, 10 cents by mail.

MISS ROSE OWENS,

No. 720 Seventeenth St.,

WASHINGTON, D. C.

"If every suffering woman
has the same experience with
Wine of Cardui that I had,
your medicine will be most
popular. About a year ago
I began to have a worn out
tired feeling with lassitude,
pains in the back and head
which kept increasing every
month. I felt that I needed
something, but to get the
right medicine was the trou-
ble. I finally decided on
your Wine of Cardui and only needed to
take three bottles when I was fully re-
covered."

Miss Rose Owens.

If you are a suffering wo-
man we would say to you
that Wine of Cardui seldom
fails to completely cure any
case of female ills. We say
emphatically, it never fails
to benefit. Every day hun-
dreds of sufferers are writing
to our Ladies' Advisory De-
partment. The letters are
opened by persons compe-
tent to give advice. Mrs.
Jones was cured by follow-
ing the advice which was freely given
her by the Ladies' Advisory Depart-
ment. Miss Owens was cured without
advice by just buying a \$1.00 bottle of
Wine of Cardui from her druggist and
taking this great medicine in the pri-
vacy of her home. No doctor's ex-
amination, treatment or advice is nec-
essary. You have read what these two
cured women have written. Is this not
enough to lead you to determine to be
rid of suffering?

August 13, 1900, Mrs. W. H. Jones,
of Cameron, Mo., writes:

"I suffered terribly at monthly periods
for three years. I would sometimes go for
seven months with no flow at all. Now
I have my health back again and am
expecting to be confined in January. I
cannot praise your medicine enough."

WINE of CARDUI

A million suffering women
have found relief in
Wine of Cardui.
