"BOSSSES" WERE BANQUETED.

Painters and Decorators' Union Entertain With a Feast.

A smoker was given last night in Judge Fitz Gerald's rooms, in the Association block, by local Union No. 599, Brotherhood of Painters, Decorators and Paper Hangers. The union has 23 members who were all present and they had as their guests, Ed Murphy, Chas. Lane, C. C. Sharp and William Hickey, as the "Bosses." The painters and decorators proved themselves master entertainers and made it very pleasant for their guests. Each member of the union contributed to the entertainment. Some sang, others danced and still others delivered short speeches. Cigars were the principal feature of the indulgence, but chicken and other refreshments were served.
After spending the whole of the fore part of the night the meeting broke up with singing "Auld Lang Syne," and all went away feeling that they had been amply repaid for the time spent.

COYOTES IN JOSEPHINE.

Bounty Law Has Not Lessened the Number There.

Grant's Pass, Sept. 25.—While the ranchers of the eastern part of the state are complaining of too many jack rabbits and not enough coyotes, the farmers and stockmen of Western Josephine county are complaining of too many coyotes. This seems to be one section of the state in which the scalp bounty seems to cut little or no figure in the matter of the thinning out of the "sheepkillers." A prominent stockman of Western Josephine county says he has never known the coyotes to be so numerous in that section of the country as they are at the present time. Many stockmen in that part have given up raising sheep in despair because of the ravages of the coyotes. Many have disposed of their sheep and restocked their ranches with cattle, but it is feared that in a few years the coyotes will be bold and numerous enough to get away with the young calves.

Pioneers' Social.

William Martin Encampment No. 1, Pioneers of the Pacific, held another of their social events in the Hendryx hall Wednesday evening. The event was largely attended and the program enjoyed. The latter consisted of a song by Mrs. J. A. Borie and Miss Ethel Jean Frazer; recitation by Miss Agnes Dunbar; and a speech by Hon. Stephen A. Lowell. Refreshments were served.

Astronomical Solutions.

Though 300 years have elapsed since the death of Tycho Brahe, it appears that we are in many lines almost as far from the ultimate goal as when he began the great work of exploring the skies before the days of Kepler, when all Europe was slumbering in intellectual darkness. The science of the stars indeed has been refined and perfected in an unparalleled degree and infinitely extended in all directions, but with the bounds of darkness pushed back step by step the goal is not and never will be in sight. An infinity of objects and causes and an endless variety of phenomena are yet to be explored, and the work of the mind is rather a process of development to the perfect understanding of the universe than the solution of a simple mathematical problem.—Atlantic Monthly.

She Got a Thrifty Husband.

Mrs. Smith—I reckon our Jane has got a first rate husband.
Mrs. Brown—Well, you ought to be thankful.
Mrs. Smith—I hope I am, Gusty. Of course he isn't much to look at, and he isn't oversmart, but there's one thing, and that is he's saving. Why, the very first day after the marriage he told Jane she'd better let him take the engagement ring back and get the money returned. He said there was no longer any use for her to wear it now that she was married.—Boston Transcript.

Montana Labor Convention.

Helena, Mont., Sept. 25.—Following the lead of the socialists the labor party of Montana is to have a state ticket in the field this fall. The convention to name candidates for congress and associate judges of the supreme court was called to order here this afternoon with delegates in attendance from many parts of the state. A platform will be adopted advocating the eight-hour day, an employers' liability act, the initiative and referendum and other measures in which the working element is particularly interested.

Longshoremen Strike Ended.

Seattle, Sept. 25.—The longshoremen's strike has been settled by President Farrell. That company is now employing union men for the first time in 12 years. The men were granted their terms providing for 50 cents overtime on nights, holidays and Sundays. The Alaska Steamship Company settled the same way.

SKIPPED WITH HORSES.

Two Strangers are Badly Wanted by Local Livery Men.

Lindsay & Doty, proprietors of the livery barn on Cottonwood street, are mourning the loss of two saddle horses and saddles. Last Saturday the two horses were hired to two men who said they wanted to go to John Crow's place on the reservation. The men mounted the animals about 6 o'clock and rode from the barn. That was the last word heard from either horses, saddles or men and they have dropped completely out of sight.

The officers were notified when the men failed to return on time, but an effort was made to keep it quiet. Every effort is being made to locate the men and animals, but so far there is no clue.

Who the men are is not known, but when they appeared at the barn and asked for the animals they had the appearance of laboring men and were looking for work. They promised to be back within two hours and the horses were let out without the thought of the men having any such idea as skipping the country with them.

Kicked by a Mule.

Frank King, employed by M. H. Gillett on his ranch on the Tutulla, was kicked in the face by a mule a few days ago and badly injured. No bones were broken, but the face was severely cut and bruised.
