POLICE COURT RECEIPTS.

One Hundred and Forty Dollars Paid Into City Yesterday.

Yesterday was the first day for the new city recorder, Thomas Fitz Gerald, in his official capacity.

Little business was transacted by the judge other than the fining of two drunks and collecting of fines from other sources. The judge was very busy all day writing receipts and taking in money, but the amount did not pile up very fast as most of the fines were small. The total day's receipts were \$143.50. This is not all the monthly revenues as there were several fines yet to be paid.

The judge was asked this morning what line he was going to follow in regard to handling the affairs of the police court. He replied that he did not pose as a reformer and would handle the business according to law and justice. He said he would make no material change from the former methods of running the office.

Walla Walla Pioneer Dead.

Walla Walla, Oct. 3.—The funeral of Thomas Rowe took place this morning at 10 o'clock from the undertaking parlors on First street. Rev. Austin Rice officiated in a brief service. Mr. Rowe was an aged pioneer, who had been in poor health for several months. He had been married and had one son, who died a few years ago. No relatives were known to be in this country. Mr. Rowe died of heart failure while eating supper Wednesday evening, falling dead without a moment's notice.

RECEPTION FOR GEN. BOOTH.

Fleet of Twelve Steamers Will Welcome Him to America.

New York, Oct. 3.—A fleet of 12 steamers, bearing 2000 officers and soldiers of the various Eastern divisions of the Salvation Army, will go down the bay tomorrow morning to meet the steamship Philadelphia, on which General Ballington Booth is a passenger. Later there will be a monster parade in honor of the venerable leader of the Salvation Army movement.

Early in the coming week there will be a public meeting in honor of General Booth, over which Mayor Low will preside. Following a few days spent in this city the general will start on an extensive tour of this country and Canada, delivering public addresses and holding important conferences with the officers of the organization. Among the cities to be visited are Toronto, Montreal, Winnipeg, Buffalo, Columbus, Chicago, Minneapolis, St. Paul, Grand Forks, Kansas City, Denver, San Francisco, Los Angeles, Birmingham, Cincinnati, Baltimore and Boston.

Bribery Trial Must Proceed.

St. Louis, Oct. 3.—The court this morning decided that the Snyder case was within its jurisdiction and ordered the bribery trial to proceed.

Assigned to Recruiting Duty.

Norfolk, Oct. 3.—Major Walter today received orders to proceed to Philadelphia on recruiting duty. This is the first recognition of the major since his return from the Philippines.

Few Army Recruits.

The army recruiting offices on the Pacific Coast have not been doing such a rushing business during last month, only 27 having enlisted. Of these six entered into the infantry, two in the cavalry and one in the hospital corps. The Seattle office recruited 18 men. The recruiting in Portland compares favorably with September of last year as only five enlisted there last year. One of Seattle's recruits, Smiley H. Cadey, deserted the day after he enlisted. He is now liable to court martial. The least punishment for this offense is one year at hard labor. Business in the recruiting office is expected to pick up about November 1 and practically stop about March 1.

RETURNED TO WALLA WALLA.

Is Wanted There on the Charge of Doping and Robbery.

Constable Hillman of Walla Walla, returned to that city last night with F. G. Hessey, arrested here yesterday by the police on the charge of being one of a trio who doped and robbed E. C. Carpenter of \$50. The alleged crime was committed several weeks ago. Carpenter was doped and robbed. No arrests were made until a few days ago when a man was arrested on suspicion. After the arrest he squealed and implicated the two other men, one of them being Hessey. When confronted with the charge last evening Hessey stoutly denied the charge but he was taken back to Walla Walla for a preliminary hearing.

Building Boom at Milton.

Milton, Ore., Oct. 3.—An active building boom is on in Milton this fall, and the principal difficulty is to get mechanics enough to carry on construction. A number of residences are being built or projected, while in the main part of the city a couple of handsome business blocks are going up. The town is more active in this respect than for years.
