ON THE GRIDIRON

PENDLETON VS. BAKER CITY THANKSGIVING.

First Game Will Be Pulled Off in This City, When the Two Rival High Schools Will Kick the Pigskin.

It is now a settled fact that Pendleton will compete with Baker City on Thanksgiving Day for honors on the gridiron. Pendleton is getting a fast team together and they may be able to show the Baker enthusiasts a thing or two and they may not. The Baker City Herald comes out with a long story about their team defeating the Pendleton high school team three times in succession and intimates that they confidently expect to carry off the laurels for the fourth time.

There is no doubt that the town of gold nuggets has a strong team and are husky boys but the farmers may hold their own with them this season. At any rate they are not like the boys who will not try and if Baker comes out on top at the close of the contest they will certainly know that they have been playing football.

Following is what the Baker City paper has to say about the home team and their prospects in walking away with the victory:

It has been determined that the high school football eleven will play Thanksgiving day and not upon the local gridiron, as was at first stated. While this arrangement does not meet with ratification at the hands of the enthusiasts, the favor is deemed due the Indians.

Captain Chandler is bringing his men out in excellent shape and those trying out will shortly be informed as to whether or not positions will be given them upon the eleven. Three times has Pendleton battled with the hardy Baker City sons upon the field with the pigskin and as many times have they accepted defeat at their hands.

This record is pointed to with pride by the high school lads and while little is being said regarding the coming tussle, a gleam in every eye and smirk when the affair is mentioned, foretells a determination upon their part to wrest the laurels again if within their power. The season marks an epoch in football matters. Throughout the country the interest is of a renewed and more decided character and the game will be more closely identified with winter sports than before. The home team dreams of a contest with a Portland eleven after the Pendleton match and believe the Willamette valleyites can be shown a few new rushes.

Declamatory Contest.

It has been the custom of the Baker and Pendleton high schools to play a game of football on each Thanksgiving day for the past two years and the evening following the football tussle a declamatory contest is held. This will be held again this year. This contest is for honors as reciters and speakers and will be indulged in between the pick of the two schools.

WHERE IS ELTON TAYLOR?

Pension Papers for \$20 a Month Awaiting His Signature.

Where is Elton A. Taylor? This is the question which is being asked by his parents, Mr. and Mrs. Franklin Taylor, of Michigan City, Ind., but no one comes forward and answers the query.

Elton A. Taylor was a private in Company L, Forty-fifth U. S. Volunteers. He was wounded in service in the Philippines, and shows the signs of the bullet yet. The bullet struck him in the left jaw and beside the ugly scar in the face, the left arm is partially paralyzed from the effects of the shot. For his service in the Philippines a pension of \$24 per month has been granted him and

the papers are now awaiting his signature at his home in Indiana.

It is said that the young man left his home last June and came West. It is also stated that there is reason for the belief that he is in Oregon and has fled on timber land in this state within the last few months. His full name was tattooed with India ink on his forearm and from the description it would seem that he could be easily located. Any information as to his whereabouts will be gratefully received by his parents and friends.

Honor St. Andrew.

Boston, Mass., Oct. 8.—The seventeenth annual convention of the Brotherhood of St. Andrew began with a prefatory "quiet day" service this afternoon at the church of the Messiah, conducted by the Rev. Floyd W. Tompkins, of Philadelphia. The regular sessions will commence tomorrow, by which time it is expected 1500 delegates will be in attendance. Bishop Potter, Dr. Rainford, Mr. John R. Matt, Dr. Howard A. Kelly and James L. Houghteling will be among the distinguished speakers.

My little girl's hair did not grow. It was harsh and dry, and would break off, and her scalp was full of dry dandruff that I could not comb out. A place around the back of her head was bald, and on the top of her head the hair was only two or three inches long. I used CUTICURA SOAP and some CUTICURA Ointment, and her hair has come in thick and as soft as silk. MRS. A. DOWNEY, Alfred, O.

Warm shampoo with CUTICURA SOAP and light dressings with CUTICURA, protect of emollients, will clear the scalp and hair of crusts, scales, and dandruff, soothe irritated and itching surfaces.

OLD PEOPLE

Do not always receive the sympathy and attention which they deserve. Their ailments are regarded as purely imaginary, or natural and unavoidable at their time of life. Disease and infirmity should not always be associated with old age. The eye of the gray haired grandparent may be as bright and the complexion as fair as any of his younger and more vigorous companions.

Good Blood is the secret of healthy old age, and controls every part of the body, strengthens the muscles elastic and supple, the bones strong and the flesh firm. This life fluid is polluted or poisoned and loses its nutritive, building elements, then there is a rapid decline of the vitality in premature old age and disease. Any derangement of the growth itself in an ulcer, sore, wart, tumor or some other constant, accompanied with poor digestion and cold extremities.

SSS best blood purifier for old people. It does not hurt the system like the strong mineral stimulants the debilitated organs, when S. S. S. is just such a tonic as old people improve a weak digestion and tone up the stomach. If there is any taint, or the remains of some disease contracted in early life will search it out and remove every vestige of it from the system. Write us fully about your case and let our physicians advise you. This will cost you nothing, and we will mail free our book and skin diseases. THE SWIFT SPECIFIC COMPANY, N.Y.
