#### EMMA BAUER KILLED HERSELF. from a republican standpoint.

Heart.

Cheney, Wash., Oct. 8.—Placing the muzzle of a rifle to her breast end pressing the trigger with a contrivance of her own fashioning, Miss Emma Bauer at 8:30 o'clock this morning committed suicide by shooting herself through the heart.

It is said she was disappointed in

love. The deed must have been carefully planned. Miss Bauer waited until her brother, for whom she was keeping house on his farm about 12 miles southeast of here, had gone to Spangle with a load of grain. She pro-cured a long, thin piece of wood and at one end drove a nail, so that the nail projected on one side. The wood was split by the nail, so she bound the split ends together with twine. Seating herself on a couch, and resting her breast against the muzzle of the rifle, which was braced against the wall, she bore down on the trigger with the nail and the

next instant fell back dead. She left a note for her brother say as the causes of her suicide.

The man who gets behind a shirt front laundered here always beams with satisfaction when he sees the exquisite color and finish that we have laid upon it. Our work is the acme of perfection on shirts, collars and cuffs and you can't match it anywhere.
