CHRISTIAN ENDEAVOR UNION.

Walla Walla Union Ends Interesting
Session.

Dayton, Wash., Oct. 13.—The Walla
Walla Christian Endeavor Union,
which has been in session in this
city since Thursday, closed his ses-
sion last night and today the dele-
gates left the city for their homes.
Nearly 70 delegates were in attend-
ance from neighboring towns, and
the meetings were a splendid success.
Officers were chosen as follows:

Miss Clara E. Phillips, of Dayton,
president; C. C. Thomas, of Walla
Walla, vice president; Mrs. E. L.
Wheeler, of Watsburg, secretary;
Mrs. J. M. Nicholson, of Dayton,
treasurer.

\$10,000 Church Dedication.

Walla Walla, Oct. 13.—The first
service to be held in the new \$10,000
church erected by the congregation
of St. Paul's Episcopal church in this
city, was held at 11 o'clock yester-
day, and an immense congregation
greeted the rector at the opening ser-
vice. The edifice is on Catherine
street, a beautiful part of the city,
and is constructed of stone and brick
throughout. It is modern in all de-
tails, and is said to be the finest re-
ligious structure in Southeastern
Washington. The Walla Walla band
attended the service and discoursed
sweet music, and the rector, Rev. An-
drews Bard, delivered an address up-
on "The Mission of St. Paul's to
Walla Walla." The church will be
dedicated in a few weeks.

La Grippe at Walla Walla.

Walla Walla, Oct. 13.—An epidem-
ic of severe colds or la grippe has
fastened itself upon this community,
and scores of people are suffering
great inconvenience thereby. The
disease seems to be a severe cold,
settling in the head and shoulders
generally, and causing the patient to
become very nervous and the flesh
very tender. Severe cases continue
for a week or so, and refuse to sub-
mit to treatment until the course
seems to have run. A number of
people have been forced to take to
their beds for several days, and by
rest the trouble seems to be over-
come more readily than by medicine.
The epidemic is general and seems
to be unabated.

Funeral of Infant.

Walla Walla, Oct. 13.—The funeral
of Walter Dymont, 11-months-old son
of Mr. and Mrs. Colin V. Dymont,
occurred this morning from the home
on Pleasant street. The little fellow
died yesterday of a complication of
diseases, after a lingering illness.
Mr. Dymont is local representative
of the Spokesman-Review, and has
resided in this city for a year, having
come from Spokane.

UNANIMOUS APPROVAL.

Does the Consolidation of Fraternal
Orders Receive From Members.

The work of consolidating the Pion-
eers of the Pacific with the Order
of Washington is progressing, even
beyond the expectations of the man-
agement, and meeting with almost
the unanimous approval of the mem-
bership of the Pioneers. Already
have the camps of the Pioneers of
Pendleton, Adams, Echo, and Pilot
Rock gone into the Order of Wash-
ington with hardly a dissenting voice.
So far as seen, the members belong-
ing to the camps at Weston and Mil-
ton hall with approval the consolida-
tion idea, and no doubt will unani-
mously accept the strength and as-
sistance of several thousand mem-
bers of the Order of Washington. All
seem to realize and appreciate the
value of an increased membership
back of their certificates, and believe
that "in union there is strength."

of the entire day to the aid of the
miners and their families. Every
department in the entire store is in-
cluded and laboring men from differ-
ent unions will be invited to take
charge of the fund. The miners' ben-
efit sale will commence at 7 a. m.,
and close at 10 p. m.

Buying Stock Sheep.

The J. E. Smith Livestock Com-
pany made several good sales of fine-
bred sheep last Saturday. W. S.
Goodman, of Walla Walla, purchased
22 Delaines and Oxfords for his Hud-
son Bay Farm, and William Gulliford,
of Butler Creek, purchased a number
of Rambouillets. Mr. Smith also
made large sales last week to sheep
men in Walla Walla county. The prices
paid in each case were the top
notch and the animals are of the
best. Fine breeds are now the order
of the day, according to the state-
ment of all of the stockmen.

Goes Like Hot Cakes.
"The fastest selling article I have
in my store," writes Druggist C. T.
Smith, of Davis, Ky., "is Dr. King's
New Discovery for Consumption,
Coughs and Colds, because it always
cures. In my six years of sales it has
never failed. I have known it to save
sufferers from throat and lung dis-
eases, who could get no help from
doctors or any other remedy." Mothers
rely on it, best physicians
prescribe it, and Tallman & Co. guar-
antee satisfaction or refund price.
