IN JUSTICE COURT.

Sidney Walters Fined for Carrying Concealed Weapons.

Sidney Walters was fined \$10 this
 morning by Judge Fitz Gerald in Jus-
 tice court, for carrying concealed
 weapons.
 Walters was picked up at the O. R.
 & N. depot last night by the police
 because of his actions. When search-
 ed he had a large gun buckled around
 him and it was this that brought him
 to grief, as he would have been re-
 leased had it not been for the gun.
 Walters claimed to have just returned
 from the Palouse country, where he
 was working in the harvest fields and
 was carrying the gun to protect him-
 self, saying that he took it with him,
 as he had some money on his person.
 However, he had no money when ar-
 rested, and had to go to the bank to
 get the amount of his fine. The
 judge made the fine light under the
 statement of the young man.

He lives in this county and he and
 a brother have a ranch near Echo.
 They are said to be straightforward
 fellows and are good citizens.

BIG APPLES AND CORN.

They Grew on Thomas Hopper's
 Ranch, on the Umatilla.

An ear of corn and two apples hang-
 ing in the window of J. M. Bentley's
 real estate office, are attracting con-
 siderable attention.

The ear of corn measures 12 inches
 in length and has 17 well-filled rows
 of grain. The apples are very large,
 red fellows, and one of them meas-
 ures 1 1/4 inches around. They were
 grown on the Thomas Hopper place,
 10 miles down the Umatilla river and
 Mr. Hopper says he has hundreds of
 boxes of just such apples and quite
 a field of the corn. Everyone who
 sees the corn accuses Mr. Bentley of
 having it shipped from Missouri, as
 no such ears are often seen in this
 country.

Reserved by Portland.

Charles W. Ziegler, former captain
 of the Pendleton team, has been re-
 served by the Portland management
 for next season's Northwest league
 team. Ziegler made a fine record with
 Portland, both in the field and at the
 bat, heading the percent column in
 the batting averages. Mr. Ziegler has
 flattering offers from other towns,
 several independent teams wanting
 him for manager and captain.

Pendletonian in South Africa.

East Oregonian is in receipt of a
 letter from W. E. Brown, an old Uma-
 tilla citizen, whose present address is
 Bulawayo, Matabeleland, South Afri-
 ca. He states that he lived here nine
 years ago. He also desires the East
 Oregonian sent to his address, as well
 as the paper at Athena, stating that
 he has forgotten the name of that
 paper. From best information, Mr.
 Brown was once a printer in this
 country.

Large Heads of Wheat.

A bunch of winter wheat heads are
 hanging in J. M. Bentley's office which
 is claimed to be the largest ever seen
 in Umatilla county. The wheat was
 grown by M. L. Morrison of the Juniper
 country and Mr. Morrison said he
 had quite a large field of it, and the
 heads brought to town were no excep-
 tion, but were picked at random in
 the field. The meshes contain four
 and five well-developed kernels.

The Place to Live.

Weston is among the prettiest home
 towns in Oregon and has the only
 state educational institution—the
 Eastern Oregon State Normal School
 —in this part of the state. Weston
 is abundantly supplied with pure
 water and has granted free water for
 household purposes for 10 years to
 all persons who build houses prior to
 April 1, 1902. You can obtain a good
 building site on Normal Heights, with
 water, sidewalks, grading and shade
 trees free, at a low figure. If you are
 seeking a pleasant home at an educa-
 tional center, address the Weston
 Improvement Co., Weston, Or.

Within five days the complete con-
 solidation of the Pioneers of the Pa-

 been perfected in Umatilla county and
 great enthusiasm has been manifested
 at every camp where the matter has
