DRIVE HORSES OUT OF PASTURE AT UKIAH

Posse Organized and a Hot Chase Followed, But the Rustlers Succeeded in Getting Away .- Animals Taken Toward Heppner.

A telephone message was received from Ukiah this morning stating that two horses were stolen from a pasture at White's sawmill Tuesday morning. The horses belonged to a Chinese cook, and they were pastured neary by. At 1 o'clock Tuesday morning the animals were driven out of the pasture. They had small bells on and these attracted the attention of the people living near. A posse was immediately organized and started out after the thieves, who were followed to Butter creek, about 15 miles distant. Just as day was dawn ing two men were met on horses, who were thought to be the thieves, but as they could not be identified they were allowed to go their way. Here the trace of the real horses was lost en-tirely and the posse returned to their

At 6 o'clock last evening Sheriff Taylor was notified. The thieves were a day ahead at this time and since that no trace of them has been found although every effort has been put forth.

The telephone mesage stated that it was thought that the men met by the posse were the real thieves, but they denied all connection with the affair and told straight forward stories as to who they were and where they were going they were not held What they did with the horses is not known, but it is thought they were cached in the timber before the posse

From the direction the thieves took it is suggested that they intended driving the animals to Heppuer where they would be disposed of, but as the posse was about to overtake them and it was getting day light this course was abandoned,

The animals were valuable ones and were both sorrels.

Since the above information was sent in it has been learned that there were three of the thieves.

WALLOWA COUNTY PROSPERS.

Is in its infancy and its Future is Bright, Walla Walla, Oct. 22.-D. D. Arp.

of this city, has just returned from a trip into the Wallowa country on a ing conditions in that country

"The Wallowa is in splendid shape financially. At Wallowa Lake I found three irrigating ditches taking water out half a mile below the lake and supplying this necessity to a large number of alfalfa fields and gardens, while two other similar ditches are planned. The Wallowa is yet in infancy, but its posibilities are won-deful. It is the stock paradise of this country now.

men, all seem to be doing well, and and as they live in the prettiest coun-try nature has made in Eastern Oregon, I guess they are as well off as any of us in spite of the fact that it is hard to get access to the outside

There is still some good timber left in that country, but it is disappearing rapidly like the timber belts in other districts of the Inland Empire."

Dispersal of Belle Meade Stud. Nashville, Tenn., Oct. 22.—Today marked the beginning of the end of the famous Belle Meade Stock Farm. the greatest of all the world's nurser ies for the running horse, and for more than a century a familiar name among all persons who own or ad-mire fast horses. Before the end of the present week it is expected that the entire stud will have been disposed of. This is in accordance with the decision of General William H. Jackson, who for more than 30 years has been master of the famous estab-lishment. General Jackson has decided to permanently retire from horse breeding because of advancing age and ill health. The sale is being conducted by the Fasig-Tipton compa ny. Altogether there are about 250 head of blooded horses to go under the hammer, including stallions, brood mares and young stock. The stal-lions include a number of successful sires of race horses and the dams of many winners in both America and England.

Yanger vs. Callahan.

# TWO BOLD THIEVES SOCIAL POSITION FOR SA

Makes no Difference. Women are All Alike. No Matter What Their Station in Life May Be. All Praise Lydia E. Pinkham's Vegetable Compound.

If she is one of the favored daughters of wealth, - if she belongs even to the realm of the "well-to-do," - or - if she belongs to the unnumbered thousands who must work in order to live - the story is just the same; all suffer from about the same cause, and in this suffering "peculiar to women," all reach the same level, and all are of the same family.

When a woman is nervous and irritable, head and back ache, feels tired all the time, loses sleep and appetite, has pains in groins, bearing down sensation, whites and irregularities, she is not "worn out," but feels as if she were.

Such symptoms tell her that a womb trouble is imminent, and she cannot act too promptly if she values her future comfort and happiness.

The experience and testimony of some of the most noted women of America go to prove, beyond a question, that Lydia E. Pinkham's Vegetable Compound will correct all such trouble at once by removing the cause and restoring the organs to a healthy and normal condition. If in doubt, write Mrs. Pinkham at Lynn, Mass., as thousands do.

Mrs. Pinkham Tells Mrs. Scott How to be Cured.

"DEAR MRS. PINKHAM: - I have been for some years a great sufferer and "Dear Mis. Pinkham:—I have been for some years a great suiterer and thought I would write and explain my case to you as you had helped so many others. Menstruation is irregular and very painful. I have suffered with painful periods for ten years but the pains grow worse as I grow older. "I suffer most with my back, lower part of abdomen and left side. I have been flowing all the month and a part of August, not constantly, but will stop for two or three days and then begin again.

"The doctor says I have misplacement of the womb. I have bearing down and says and the part of the womb."

ains when passing urine, and my abdomen is very badly swollen and sore. Please advise me at your earliest convenience."— Mrs. A. V. Scorr, 21 Page St., Kingston, Pa. (Sept. 30, 1900.)

"Dear Mrs. Pinkham: — When I wrote to you asking advice no one could describe my suffering. The doctors said I could not be relieved unless I had an operation performed, but thanks to you and your medicine I got along without having the dreaded operation. I have taken ten bottles of your medicine and am once more well and happy. Lydia E. Pinkham's Vegetable Compound is a fine medicine and a God-send to suffering women. I trust my letter may be the means of bring ng many of my suffering sisters to accept your kind aid." — Mrs. A. V. Scorr, 21 Page St., Kingston; Pa. (Jan. 10, 1991.)

Remember Mrs. Pinkham's advice is free, and all sick women are foolish if they do not ask for it. No other person has such vast experience, and has helped so many wom n.
