"SOAP, SOUP AND SALVATION."

Will Be the Theme of Colonel French at the Congregational Church Tonight.

Colonel George French, of the Salvation Army, is in Pendleton and will speak tonight at the Congregational church. He is accompanied by Major Dabbjns, of Portland, and other officers.

Colonel French is an officer of 19 years' standing, having been captured by the army at Bristol, England, in 1881. He has been in America nine years and is a naturalized citizen.

Prior to his appointment to the United States he was commissioned to organize and develop the work of the Salvation Army in Holland. During the two and one-half years that Colonel French was there, most of the largest cities in that country were "opened," to use the army phrase, the principal ones being Rotterdam, The Hague, Arnheim, Davenport and Leewarden.

Colonel George French.

Since the colonel took up his headquarters at Chicago, his work there has attracted unusual attention. He established a labor bureau and finds work for over 70 per cent of the applicants for work. He also opened three "shelters" which accommodated 180,000 people in six months.

As a public speaker, Colonel French is very popular. The dailies of the large cities invariably speak well of his addresses.

The Kansas City Star says: "He is a powerful and convincing speaker, and very much in earnest in all he says, and seems to hit the point at once without any oratorical claptrap."

The New York World: "He is prepossessing, is a musician and fluent speaker, as well as an inspiring leader and wise commander."

Spiritually and socially the army is advancing in the Pacific Coast province, and the earnest zeal which the colonel is throwing into the movement, is bringing about a healthy, vigorous condition to the army in this part of the country.

"The Convict's Daughter."

No wonder "The Convict's Daughter" has become a household word, for it is one of the few melodramatic productions that leave behind a refreshing atmosphere. The amusement-loving public will have a chance to pass on the merits of "The Convict's Daughter" at the Frazier opera house tonight. Come and see the pretty Southern home of Colonel Gould, the old hut at the quarries, and the daring sensational escape of "Weary Willie" on the top of the fast-moving freight train. Prices, lower floor, 75c; gallery, 50c; box seats, \$1.

"A Wise Member."

If you are looking for fun and the worth of your "mon," To the theater you'll go, Take seats in a row. And be sure to remember The play's "A Wise Member." C. B. Marvin's production And hence the deduction 'Twill surely be light, Entertaining and bright. There's a cheerful young liar, A sporty high flyer, He borrows a wife For a day—not for life. A house and lot, maybe, His uncle is "wise," But doesn't drop to his lies. This brings complications And many vexations. 'Till at last the truth's told; "A Wise Member's" been sold. Remember the date; Get seats, ere too late. If you miss it you'll lose A sure cure for the blues. Italian Band.

Mr. Channing Ellery's Royal Italian

Band, under the direction of Cavaliere Emilio Rivalta, will give a concert at the Frazier next Monday evening. Of all the really first-class foreign musical organizations that have visited America, this band is easily the best. It is a well-known and always conceded fact that the Italians excel other nations of the world in the arts, particularly music, and what America is to the world in a commercial way, Italy is in art. Her supremacy has never been questioned, hence when it is known that the Royal Italian Band is composed of 55 of the leading band musicians of their native country, it will be readily seen that it is a superior organization. When the band was organized the utmost care was taken to get only those who were capable soloists.

Prices, first 13 rows, \$1; last three rows, 75c; gallery, 50c; box seats, \$1.50.

Plans For the St. Paul.

New York, Oct. 30.—Railroad and financial circles are considerably interested in the meeting being held today by the directors of the Chicago, Milwaukee & St. Paul road. It is their first meeting since the stockholders of the road authorized an issue of \$25,000,000 new stock and the public is anxious to learn what disposition is to be made of the funds. It is said that extensions in the copper country of Northern Michigan are contemplated, while in other quarters it is asserted that the new stock will be used for the purpose of giving the Milwaukee road a connection to the Pacific Coast so that it can compete with the Northern Securities roads.

Must Pay to See Hanging.

Portland, Or., Oct. 29.—If Sheriff Storey, of Multnomah county, consummates his present intention, murderer A. L. Belding, who deliberately killed his wife, her paramour, Frank Woodward and her mother, Mrs. Lenuel McCroskey, last July, will pass into history tomorrow as the first criminal who made money on the scaffold. The sheriff proposes that those who attend the hanging shall pay \$5 towards the support of Belding's 6-year-old boy, whom the noose will make an orphan. At last accounts there was a brisk demand for tickets to witness the execution.

RHEUMATISM CANNOT BE RUBBED

But a good liniment or plaster will temporarily relieve because it produces irritation or reduces the inflammation. But no sort of external treatment has any effect whatever upon the disease. Rheumatism is not a skin disease. It is due to an over acid condition of the blood, the deposit of irritating matter or salts or sediment in the muscles and no amount of rubbing or blistering these gritty particles or changes in the Rheumatism often becomes chronic and the muscles and joints permanently stiffened. The nervous system almost wrecked. Much time is lost in trying to cure it with outside applications or doctors.

Rheumatism must be treated through the blood, and no remedy brings such prompt and lasting relief as S. S. S. It attacks the disease in the blood, neutralizes the acids, and removes all irritating or poisonous substances from the system.

S. S. S. strengthens and enriches the thin acid blood, and, as it circulates through the body, the corroding, gnawing poisons and acid deposits are dislodged and washed out of the muscles and joints, and the sufferer is happily relieved from the discomforts and misery of Rheumatism.

External remedies are all right so far as they go, but they are not enough, and you can't depend upon them to do the work of a liniment and those who pin their faith to liniments and plasters as a means to meet with disappointment.

SSS

Rheumatic sufferers who write us about their case will receive aid and helpful advice from our physicians, for which no charge. We will mail free our special book on Rheumatism, which is the result of years of practical experience in treating this disease. It contains condensed form much information about Rheumatism.
