# COMMERCE - TRADE

## A LARGE DEMAND FOR OUR WHEAT IN AUSTRALIA.

150,000 Bushels of Wheat Sold in  
Umatilla County During the Past  
Three Days, at 60 Cents Per  
Bushel.  
Wheat at 60 cents a bushel,  
the farmers who have not disposed of  
their grain are certainly lucky.  
Within the past three days no less  
than 150,000 bushels have been sold  
in Umatilla county at the above fig-  
ure. This brings quite a nice lot of  
money into the hands of the wheat  
growers.  
It is said that there is an unusu-  
ally large demand for wheat for local  
use in San Francisco and a large  
amount is being shipped from there  
to Australia and Africa. This is  
something new. Australia usually fur-  
nishes her own wheat and ships many  
million bushels to other markets, but  
a failure there this year causes them  
to have to ship in wheat for their own  
use. This keeps the price above what  
other markets warrant.  
As a rule most of the farmers with  
wheat still on their hands are going  
to dispose of it at the present figure  
and not wait longer and risk an un-  
certain market. The price may drop  
a few cents any moment and those  
with several thousand bushels would  
feel the fall materially. The foreign  
demand for wheat may be only of  
short duration or it may continue.  
Nevertheless, these markets are easi-  
ly supplied and with the steady  
stream of grain that has been going  
into San Francisco for the past month  
a drop is expected by the local deal-  
ers.

Other Markets.  
There has been little change in the  
local markets for the past week. But-  
ter has advanced from 40 and 65  
cents to 50 and 75 cents a roll. This  
is because the demand is very strong  
and the supply isn't what it might be.  
This is also as high a figure as has  
been reached by butter for several  
years.  
Sugar has advanced 10 cents on the  
sack. One week ago granulated cane  
was \$5.25, and today it is \$5.35.  
The high price of wheat has ad-  
vanced the price of flour locally.  
\$3.25 a barrel has been quoted for  
Byers' and Walters' best flour for the  
past year or more, but today local  
dealers are asking \$3.40 a barrel.  
Flour will be apt to remain at this  
figure until wheat falls in price.

Portland Markets.  
Aided by the strength of other mar-  
kets and keen competition between  
buyers in the Northwest, wheat ad-  
vanced another cent all around yester-  
day. Exporters are quoting club  
at 68@69c and bluestem at 74@75c  
for shipping purposes, with probably  
still more being paid for choice lots.  
Barley has advanced \$1 per ton and  
oats are 2 1/2c higher.  
Wheat—Walla Walla, 68@69c;  
bluestem, 74@75c; valley, 70c per  
bushel, export value.  
Flour—Valley, \$3.10 to \$3.20 per bar-  
rel; hard wheat straight, \$3.15 to \$3.40;  
hard wheat patents, \$3.30 to \$3.60; gra-  
ham, \$2.90 to \$3.30.  
Barley—Feed, \$22 per ton; brewing,  
\$23; rolled, \$23.  
Millstuffs—Bran, \$19 per ton; mid-  
lings, \$23.50; shorts, \$19.50; chop,  
\$17.  
Oats—No. 1 white, \$1.07 to \$1.10;  
gray, \$1.05 to \$1.07 1/2 per cental.  
Hay—Timothy, \$10@11; clover, \$7-  
50; wheat, \$8 per ton.

Chicago Wheat.  
Chicago, Oct. 28.—Wheat ruled  
strong throughout the greater part of  
the day, due to a continuation of the  
cash demand, together with heavy  
buying for export. Small receipts  
in the Northwest were also strength-  
ening factors. The weather was gen-  
erally favorable for movement, and  
cables were favorable, but the local  
weather was inclined to ignore these  
bearish features and gave the market  
fair support. The close was about  
steady. December opened a shade  
lower to 1/4c higher at 72 1/2@73 1/4c,  
advanced to 73c, but reacted to 72 1/2c  
on selling by a prominent local. Buy-  
ing by some of the early sellers ad-  
vanced the price, but a slight decline  
occurred toward the close, which was  
1/2c higher at 73 1/4c.

European Grain Markets.  
London, Oct. 28.—Wheat—Cargoes  
on passage quiet and steady. No. 1  
standard California, 30s 7 1/2d; Walla  
Walla, 28s 10 1/2d. English country  
markets dull.  
Liverpool, Oct. 28.—Wheat—Quiet;  
No. 1 standard California, 6s 5 1/2d.  
Wheat and flour in Paris quiet.  
French country markets firm. Weather  
in England overcast.

Wool Markets.  
Boston, Oct. 28.—Wool continues  
strong, with the tendency upward.  
Sellers seem contented to let the mar-  
ket take its course, well knowing that,  
without a boom, all the wool they  
have will be wanted at better  
prices. Territory wool is in a very  
strong position. Predictions are  
heard from well-posted merchants  
that fine staple territory is going to  
60c, with even 65c suggested. Fine  
staple territories, 55@58c; strictly  
fine clothing, 53@55c; fine and fine  
medium, 50@53c; medium, 45@47c.  
California wool is firm, with the de-  
mand good; northern county, cleaned  
basis, 52@55c; middle counties, 48@

50c; southern, 45@47c; six to eight  
months 13@14c less.  
St. Louis, Oct. 28.—Wool steady;  
territory and Western mediums, 16  
@18c; fine, 12@16 1/2c; coarse, 12@  
15c.

## Local Market Prices.

The following shows the prices  
paid on the local market:
