

Mrs. Anderson, a prominent society woman of Jacksonville, Fla., daughter of Recorder of Deeds, West, who witnessed her signature to the following letter, praises Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—There are but few wives and mothers who have not at times endured agonies and such pain as only women know. I wish such women knew the value of Lydia E. Pinkham's Vegetable Compound. It is a remarkable medicine, different in action from any I ever knew and thoroughly reliable.

"I have seen cases where women doctored for years without permanent benefit, who were cured in less than three months after taking your Vegetable Compound, while others who were chronic and incurable came out cured, happy, and in perfect health after a thorough treatment with this medicine. I have never used it myself without gaining great benefit. A few doses restores my strength and appetite, and tones up the entire system. Your medicine has been tried and found true, hence I fully endorse it."—Mrs. R. A. ANDERSON, 225 Washington St., Jacksonville, Fla.

Mrs. Reed, 2425 E. Cumberland St., Philadelphia, Pa., says:

"DEAR MRS. PINKHAM:—I feel it my duty to write and tell you the good I have received from Lydia E. Pinkham's Vegetable Compound.

"I have been a great sufferer with female trouble, trying different doctors and medicines with no benefit. Two years ago I went under an operation, and it left me in a very weak condition. I had stomach trouble, backache, headache, palpitation of the heart, and was very nervous; in fact, I ached all over. I find yours is the only medicine that reaches such troubles, and would cheerfully recommend Lydia E. Pinkham's Vegetable Compound to all suffering women."

When women are troubled with irregular or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, flatulence, general debility, indigestion, and nervous prostration, they should remember there is one tried and true remedy. Lydia E. Pinkham's Vegetable Compound at once removes such troubles.

The experience and testimony of some of the most noted women of America go to prove, beyond a question, that Lydia E. Pinkham's Vegetable Compound will correct all such trouble at once by removing the cause and restoring the organs to a healthy and normal condition. If in doubt, write Mrs. Pinkham at Lynn, Mass., as thousands do.

No other medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any substitute.

\$5000 FORFEIT If we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

EASTERN ELECTIONS

(Concluded.)

Assisting the regular democrats are the independent republicans who are opposed to Quayism and it is expected also that much of the strength of the prohibitionists will be thrown into the Pattison column. The republican candidate for governor is ex-Judge Pennypacker, a relative of Quay. In some of the state districts the fight for congressional honors is bitter. In Philadelphia the republican nominees for congress have no opposition.

Medium vote. Pennypacker seems certain of election. A heavy vote. Several arrests this morning for alleged fraudulent voting.

South Dakota.

Pierre, S. D., Nov. 4.—Four tickets are in the field for state offices in South Dakota—democratic, republican, prohibitionist and socialist. The republican ticket headed by Charles N. Herreid as the candidate for governor, is expected to be elected by a large plurality. John W. Martin is the fusionist candidate for governor. There is no opposition among republicans to United States Senator A. B. Klitredge, who was endorsed by the state convention, and he is certain to be elected by the unanimous vote of the republicans in the legislature, which will convene in January.

Tennessee.

Nashville, Tenn., Nov. 4.—H. T. Campbell, republican, James B. Frazier, democrat, and R. S. Cheves, prohibitionist, have all conducted vigorous campaigns, but the indications are that Frazier will be elected by a good plurality. The democrats appear confident of electing the congressmen in all except the First and Second districts.

Texas.

Austin, Texas, Nov. 4.—Texas elects a full state ticket, a legislature and 16 representatives. The democratic state ticket, headed by Samuel W. T. Lanham, is certain of election. The republicans have put up five congressional candidates, but from all indications the state will send a solid democratic delegation to Washington.

Utah.

Salt Lake, Utah, Nov. 4.—Utah elects a supreme judge and a legislature. The principal interest centers in the legislative ticket, as a successor to Senator J. L. Rawlins is to be chosen. The result is uncertain, both sides claiming success. William M. McCarty is the republican candidate for supreme judge, and his opponent on the democratic ticket is Major R. W. Young, a grandson of Brigham Young.

Washington.

Seattle, Wash., Nov. 4.—Washington elects a supreme judge and legislature which will choose a successor to Senator George Turner. The outlook favors republican success. The three republican candidates for congress, F. W. Cushman, W. L. Jones and W. H. Humphries, expect to receive pluralities of between 3000 and 5000.

Fair weather is general east of the Mississippi. Local rains in Missouri River states. At noon indications were for a heavy vote in the far East, lighter to westward.

Walla Walla, Nov. 4.—The outlook is good for the democratic legislative and county ticket. Specials sent out from Walla Walla last night carried 100 for the colonization of Franklin county and another ferry-load of 75 for Columbia.

Spokane—Light snow. Light ballot cast up to noon.

Wisconsin.

Milwaukee, Wis., Nov. 4.—The campaign in Wisconsin this year has been peculiar, and the result no man can foretell with any degree of certainty. Republicans are supporting democratic candidates and democrats are supporting republican candidates. While the re-election of Governor La Follette is general conceded, his plurality is expected to fall far below that which he received two years ago. The republican party is badly split, and this split was widened by La Follette's recent utterance to the effect that he would not support Senator Spooner's re-election unless the latter declared in favor of the state platform. The democratic nominee for governor is David A. Rose of this city.

Wyoming.

Cheyenne, Wyo., Nov. 4.—Wyoming elects state officers and a legislature. Three state tickets are in the field, headed by George T. Beck, democrat; De Forest Richards, republican, and Henry Britenstein, socialist. The republicans expect to carry their state ticket by a good plurality. They expect also to re-elect F. W. Mondell their present representative in congress, whose personal popularity is great owing to his efforts in securing the passage of the national irrigation act. The democratic nominee for congress is C. P. Clemmons, the present mayor of Saratoga.

Looks like a republican clean sweep.

Sumpter All Right.

Cato Johns, the merchant of Sumpter, arrived in the city last night on a short business trip. He says business in Sumpter has doubled in six months and everybody is rushing the limit with work.—Morning Democrat of Maine or where.
