ANOTHER FORGER

AFTER REPEATED ATTEMPTS,
CASHED BOGUS CHECK.

Officers in Search of D. R. Stone—
Name of Well-Known Farmer Used
by Criminal.

D. R. Stone is now a fugitive from justice. Last Monday evening after the banks were closed, he walked into the St. Joe Store and asked Mr. Lyons, the proprietor, to cash a check for him for \$28. Mr. Lyons told Stone that he did not know him and would not cash the check because there was so much forging going on. Stone, not daunted at this, went out of the store and returned in a few minutes with a man to identify him. The second man was not known to Mr. Lyons and he again refused to cash the check.

Stone went away the second time and a few minutes later returned with Jim Spence, who had known Stone for several years and Spence vouched for Stone, saying that he was all right and the check was all right. Mr. Lyons then cashed the check and Stone left the store.

The check was drawn in favor of D. R. Stone and had J. H. King's name forged thereto. Mr. King is a prosperous farmer living near Helix and his check would be honored any where. Stone has been around Pendleton for several years and is quite well known. A few years ago he was in jail for the theft of a bicycle, but since that time has lived a straight-forward life and is very industrious. Spence knew him and thought he was all right and told Mr. Lyons so.

Since the forgery was found out, the officers have been on the trail of Stone, but they have no clue to his whereabouts.

Largest Guns Afloat.

The guns to be placed on the turrets of the new battleships Connecticut and Louisiana will be the largest and most powerful in the world, having the advantage of increased velocity and penetrating power. With such weapons to defend us we need have no fear of foreign invasion in times of war, nor need persons suffering from stomach, liver or kidney troubles have any further fear if they will only protect themselves with Hostetter's Stomach Bitters. No better medicine for insomnia, nervousness, indigestion, heartburn, dyspepsia, liver and kidney troubles, or malaria, fever and ague can be found. It is therefore deserving of a trial, especially if you wish to recover your health again. The genuine has our Private Stamp over the neck of the bottle.

Eastern Oregon Stock.

E. E. Willard, a La Grande stock shipper has just returned from Portland, where he has been for the past week. He shipped 100 head of two-year-old steers from La Grande last Tuesday, intending to sell in the Sound markets. On arrival of the shipment at Portland, the Union Meat Company made an advance over the Sound prices and the cattle were sold to that firm. They were grass-fed cattle and tipped the scales at 1075, after a 300-mile ride. The markets of Portland and the Sound cities are hotly contending for the Eastern Oregon trade.

The First Lecture.

The first lecture of the University Extension Lecture Course to be given by the professors of Whitman college, will be given tomorrow, Friday evening, November 7, at the Congregational church. Professor W. D. Lyman will lecture on "Webster, the Orator." There will also be music by local talent.

Asleep Amid Flames.

Breaking into a blazing home, some firemen lately dragged the sleeping inmates from death. Fancied security, and death near. It's that way when you neglect coughs and colds. Don't do it. Dr. King's New Discovery for Consumption gives perfect protection against all throat, chest and lung troubles. Keep it near and avoid suffering, death and doctor's bills. A teaspoonful stops a late cough, persistent use the most stubborn. Harmless and nice tasting, it's guaranteed to satisfy by Tallman & Co. Price 50c and \$1. Trial bottles free.

Luck in Thirteen.

By sending 13 miles, Wm. Spirey of Walton Furnace, Vt., got a box of Bucklen's Arnica Salve, that wholly cured a horrible fever sore on his leg. Nothing else could. Positively cures bruises, felons, ulcers, eruptions, boils, burns, corns and piles. Only 25c. Guaranteed by Tallman & Co., druggists.

Fat Veal.

Plenty of nice fat veal at Farmers' Meat Market. C. Platzoeder.

In Police Court.

Two cases were disposed of in the police court this morning. Thomas Hockett and Frank Franklin were arraigned for being drunk and disorderly. Franklin was fined \$10 and costs. Hockett was fined \$5 and costs, and in default of payment is serving out his fine in jail.

Here are some gems from a recent school examination in San Francisco: "Define fathom and form a sentence with it." "A fathom is six feet. A fly has fathom." "Define species." "Species is kind. A boy must be species to his mother." "Define odorless." "Odorless is without scent. A man who is odorless can not ride in the car."—San Francisco Star.

There were exported from the United States in the fiscal year 1901-2 horses to the number of 103,209 head, valued at \$2,692,298. These were the heaviest shipments ever made from this country, and exceeded the previous high record in 1900-1 by 20,770 head. Almost 60 per cent of the 1901-2 exports were consigned to South Africa.
