PENDLETON HELPS

CITIZENS RAISE FUNDS FOR UNFORTUNATE WOMAN.

A Purse of \$150 Made Up for Mrs. Laura Moorhead, Whose Son Died Thursday.

A purse of \$150 was made up by the citizens of Pendleton and presented to Mrs. Laura Moorhead, whose son died Thursday from an injury received at the electric light plant the day before. Mrs. Moorhead has been in Pendleton but two weeks, coming here from the hop fields of Yakima county. She is a widow and has one child living, a daughter 15 years of age. She came to Pendleton because of its good reputation as a school town, and resided on East Webb street. The boy and girl were attending school, but Mrs. Moorehead was not satisfied here and contemplated going back to The Dalles where she lived a few months. Now she says the people have treated her so kindly that she is going to remain here. While her distress is very great over the unfortunate death of her son, her sorrow is relieved to a degree by the splendid generosity shown by the citizens of Pendleton, who came to her aid in her hour of need.

A Big Attraction.

Frederick Berger, who managed the late Sol Smith Russell for many years will be busy taking care of four large attractions during the present season. Mr. Berger has acquired the "Sign of the Cross," also Mr. Horace Lewis, a great Boston favorite, who is starring in Sol Smith Russell's great play, "A Poor Relation." Mr. Berger will also put on Martha Morton's new play, "The Truth Tellers" in New York this fall. In Mr. Lewis, it is said, Mr. Berger has found a second Sol Smith Russell, but of that our play-goers will be able to judge for themselves, as Mr. Lewis and "A Poor Relation" are booked for an early engagement here at the Fraser opera house.

"WEBSTER THE ORATOR."

Subject Handled by Prof. Lyman in a Thorough Manner—Prof. Anderson the Next Lecturer.

The first lecture in the University Extension course was delivered last evening to a fair audience at the Congregational church, by Professor W. D. Lyman, of Whitman College.

After pertinent remarks by Judge Lowell on the origin and development of the university extension, the high school quartet gave a selection in their usual pleasing manner.

The lecturer treated the subject in an able, comprehensive and brilliant manner.

America's greatest orator was delineated in a frank and thorough manner, showing his great influence upon the political life of the country.

The next lecture will be delivered by Professor Louis F. Anderson, of Whitman College on next Friday evening. His subject will be "Development."

Professor Anderson, in addition to being a teacher of Greek literature for over 20 years, has traveled in Greece and studied in Athens.

CUPID'S PRANKS.

Five Marriage Licenses Granted in Less Than 24 Hours.

Since Friday afternoon five marriage licenses have been granted by County Clerk W. D. Chamberlain. This is a record-breaker and shows that cupid has been working overtime on the hearts of the young people of the county.

Three of the young couple are from Pilot Rock. They are Frank A. Done and Miss Cora Knotts, George W. Done and Miss Mabel Thomson, George E. Carnes and Miss Lillian Wetzel.

The others are Fred C. Morley and Miss Jafayette Shaw, of Milton; Frank Simpson and Miss Mabel Roesch, both of Athena.

Mrs. La Dow Entertained.

Mrs. G. I. La Dow entertained a number of her friends at her home on West Court street, Friday afternoon. The time was spent in social conversation and amusements of various kinds.

Forger Still at Large.

D. R. Stone, the forger, who passed a worthless check on E. M. Lyons, Monday night, is still numbered among the missing. He had several hours the start of the officers and has had ample time to get out of their reach.

Mrs. Jackson Receives.

Mrs. C. S. Jackson entertained her friends at her home north of the river Friday afternoon. Quite a crowd of young people were present in the evening and all report a pleasant time.

Lady (engaging a maid)—"Was your last mistress satisfied with you?"
Maid—"Well, mum, she said she was very pleased when I left."
Punch.

Twenty-three foreign governments, and 34 states have taken favorable action upon the subject of making exhibits at the World's Fair.

MRS. THOMPSON INJURED.

Fell on Sidewalk and it is Thought Her Hip May Be Fractured.

Mrs. Fig Thompson is suffering from an injury received in this city by falling on a sidewalk. The injury is to the hip and the attending physician is not sure whether the hip is slightly fractured or whether it is just a very painful bruise. Mrs. Thompson, formerly of this city, but now a resident of Walla Walla, came over a few days ago to visit her relatives. When the accident occurred she was going from the gate to the door of Thomas Thompson's residence, and while on the walk leading to the door she slipped and fell, striking full weight on her hip and side. As Mrs. Thompson is quite aged the injury may prove very serious to her.
