HIGH SCHOOL WON

THE SCORE WAS
SIX TO NOTHING.

High School Team Plays a Fast Game and Succeeds in Shutting Out the Visitors.

It is not likely that there will be a prettier game this year than that between the Eastern Oregon State Normal and Pendleton high school teams Saturday afternoon. Although the ground was very heavy and rain was falling most of the time during the game, there was a good crowd of enthusiastic rooters down to cheer their favorites to victory and Pendleton was represented by a good crowd who lost no opportunity of cheering. The Normal team was the heavier of the two and had a little the best of the fray during the first half of the game, the honors being won by a brilliant end run by Wirick who made a touchdown and McCarty succeeded in kicking a goal before time was called.

The heaviness of the field gave the Normal boys a little the advantage as they were able to work in the mud better than the light high school team, but it was evident from the beginning that the visitors were not so fast as the locals who simply won the game through superior fast playing and end runs as they could not buck the line of the heavy Normals.

The First Half.

The game was very close during the first half. The Normals kicked off and Pendleton fumbled on the 20-yard line. After three downs, Pendleton lost the ball, but the Normals failed in their effort to rush the pigskin over the goal line. When time was called for the first half the ball was in Pendleton's possession on a touchdown.

High School Scores.

The second half was somewhat livelier than the first. The locals steadily gained on the Normals from the time the teams went into the field until the end when the touchdown and goal was made. The locals during the first half saw that they could not successfully buck the heavy line of the Normals and some pretty engineering was then resorted to in the way of end runs. With the ball under his arm, Wirick easily led Badeley, the Normal's crack sprinter, around the end of the line which won the honors for the locals, and the score ended with 6 to 0.

Other Games.

The next game to be played by the high school team is with La Grande on the local gridiron. This is expected to be a fiercely contested game on the part of the boys from the land of sugar beets, but the local team is in good trim and will give them a close rub for their money. Much of the efficiency of the locals is due to the excellent coaching given them by R. S. Bryson and while the team is light it can play a fast game. No other game has been arranged for except the one on Thanksgiving with Baker City high school, but as there is another week vacant it is expected that a game will be played with some team to keep up the practice.

PERRY SHAVER IN JAIL.

Assaulted Postmaster Smith and His Wife, of Holdman.

Perry Shaver is in the county jail serving a sentence of five days for assault. The complaining witness was I. N. Smith, postmaster at Holdman.

Some little trouble has been existing in that neighborhood for some time between some hoodlums and the postmaster. It is claimed that a lot of young fellows have been trying to make trouble for the postmaster for some time and Saturday young Shaver concluded that he would take the matter into his own hands and started in to clean out the postmaster and his wife. Complaint was sworn out against him for assault on Mr. Smith and wife and Constable Bently went out Sunday and made the arrest. Mr. Bently did not arrive at the home of the young man any too soon, for he was just leaving home in a wagon for Echo to catch the train to leave the country, when the officer arrived. Shaver was fined \$10 by Justice Fitz Gerald and in default of not having the money, was ordered to jail for five days.

ACCIDENTALLY SHOT HIMSELF.

Clarence Wilkins, of the Agency, Plays With a 22-Calibre Rifle.

Dr. Smith was called to the agency Sunday afternoon to see Master Clarence Wilkins, who had accidentally shot himself with a 22-calibre rifle. The boy was playing with the gun,

and in some unaccountable manner it was discharged, the ball striking him in the shoulder, near the joint and inflicting an ugly, though not necessarily dangerous wound. Dr. T. M. Henderson went out this morning and dressed the wound again and found the boy resting as easily as could be expected.

PIONEER GONE.

A Umatilla County Pioneer Passes Away at Home of His Son.

Alvah Jones, aged 80 years, four months and 24 days, died Sunday at the home of his son, Almon Jones, on McKay Creek.

Mr. Jones was born in Connecticut and from there his parents moved to New York when he was a small boy. He married Miss Ella Blanchard 58 years ago and later removed to Pennsylvania. Mr. Jones ran a canal boat on the Erie canal for several years. Later he went to Iowa and from there came to Oregon in 1878, settling near Milton. There he lived until October of this year, when he was taken to the home of his son on McKay Creek, near Pilot Rock.

Mr. Jones leaves four sons, Tree-man, Almon, Seymour and Sherman, and one daughter, Mrs. Mary D. Jess, none all of this county. Mrs. Jones died eight years ago.

The remains will be interred in the Pilot Rock cemetery, Rev. Ely conducting the services.

GAMBLERS FINED

SEVEN MEN CONTRIBUTE TO PENDLETON TREASURY.

Mayor Hailey and Council Determined to Stop Games—Saloon Licenses Will Be Endangered.

Seven men were fined \$15 each for gambling, in Judge Fitz Gerald's court this morning. The parties arrested were W. H. George, W. A. Krebs, Jesse Sellers, Lester Swigart, Thos. Winn, Ed Noble and T. E. De Laney. The arrests were made as a result of the avowed intention of the present city administration to suppress gambling of all kinds in this city. It has been known to the officials for some time that games were running behind the closed doors, at different places, but sufficient evidence could not be obtained to warrant an arrest, until today. While open gambling has been practically stopped, the city authorities are determined to reach the games that are run in secret, and have notified the saloon men that any violation of the law against gambling will endanger their liquor licenses.

Birthday Party.

William Cameron entertained about 35 of his young friends, Saturday evening, in honor of his 17th birthday. The party was given at the home of his parents, Mr. and Mrs. Charles Cameron, on South Main street. Light refreshments were served, after a merry round of games, and at midnight the friends departed, wishing their host many happy returns of the occasion.

Reception Postponed.

Owing to the illness of Miss Potwine, at the rectory, the parish reception, which was to have been held by the Church of the Redeemer, this evening, has been temporarily postponed.

A TRIPLE WEDDING

PROMINENT YOUNG PEOPLE FROM PILOT ROCK.

United Sunday Afternoon in the Parlor of the Golden Rule Hotel.

Four marriages were solemnized Sunday afternoon in the parlors of the Golden Rule hotel. The first couple to be joined in wedlock was Perry Martin and Miss Minnie N. French, Rev. R. W. King officiating.

Immediately following them came a triple wedding in which George W. Done and Miss Mabel Thompson, Frank Done and Miss Cora Knotts, George Carnes and Miss Lillian Wetzel were united by Rev. Sunderman. These three couples are prominent young people of Pilot Rock, where they will make their future homes.

Simpson-Rush.

Saturday afternoon Rev. W. E. Potwine, of the Church of the Redeemer, united in marriage Frank E. Simpson and Miss Harriette Rush. Mr. Simpson is a prominent young business man of Athena and Mrs. Simpson was one of Helix's talented young ladies. Mr. and Mrs. Simpson left on the evening train for Portland on a short pleasure trip and after returning will make their home in Athena.

The Place to Live.

Weston is among the prettiest home towns in Oregon and has the only state educational institution—the Eastern Oregon State Normal School—in this part of the state. Weston is abundantly supplied with pure water and has granted free water for household purposes for 10 years to all persons who build houses prior to April 1, 1903. You can obtain a good building site on Normal Heights, with water, sidewalks, grading and shade trees free, at a low figure. If you are seeking a pleasant home at an educational center, address the Weston Improvement Co., Weston, Or.
