Erect Form

The long hip form is the original long hip corset. It has set the mode in corset styles. The long hip gives that deep graceful dip, rounds off the hips into graceful curves, takes all strain from the abdomen and chest and places it upon the hips and back muscles. Absolutely hygienic. The only corset for the new style skirts.

CITY MAIL DELIVERY

THREE CARRIERS WILL BE
GIN WORK DECEMBER FIRST

One Substitute Will Also Be Ap-
pointed—Postmaster Livermore Ex-
pects Appointments Soon.

Postmaster Lot Livermore received a letter this morning from the post-office department at Washington, D. C., saying that Pendleton would have three carriers for the free delivery. Instead of two, as at first announced. The examinations for the civil service was made last spring and also again last month, but the names of the lucky ones have not been returned. It was announced that the recommendations would be made at once and forwarded by wire so that no further delay would be experienced.

The free delivery is to be started with the first of December and in order to get everything in working shape the appointments of carriers will have to be made at once. It will take several days after the carriers have been announced for them to acquaint themselves with their respective routes. This being the case, Postmaster Livermore is expecting a wire every day announcing who shall have the appointments. In addition to the three regular carriers, one substitute will be appointed. This substitute is to take the place of either of the regular carriers in case of sickness or something which will compel them to be off duty for any length of time.

WON THE PRIZES.

Misses Daphne Swearingen and Celia Cunningham Win First Prizes at the Catholic Fair.

The second evening of the Catholic fair proved a greater drawing card than the first. From the time that the Pendleton band began to play on the sidewalk in front of the entrance to the Armory hall, until 10 o'clock, the hall was thronged with people, both old and young, and the interest in the fair was very marked.

The music was kept going during all the time dinner was being served and following this the band music gave way to a recitation by Miss Dunbar. Several other entertaining features were introduced during the evening, but the most exciting time was when the contests were being waged for the prizes.

The doll contest was won by little Daphne Swearingen, who received votes amounting to \$87.10. The second prize doll was won by Nadyné Blakey and this netted the Sisters \$79.05. Alma Sewell won the third prize doll, which brought \$22. Two other contestants were in this race. They were Esther Shay and Katie Nelson.

The necklace contest came off last night and held the crowd until late. Celia Cunningham won this prize, the votes she received amounting to \$60. Gertrude Fitz Gerald was a close second for the necklace, as she received votes amounting to \$57.95. Hazel Bodie and Jennie Pearson were in this contest.

The fair will continue the rest of the week, and from present indications will grow in popularity from day to day.

TEACHERS' ASSOCIATION.

Many Prominent Umatilla Educators to Attend—Excellent Program Assured.

The teachers in the public schools of Pendleton and Umatilla county are preparing to attend the fourth annual convention of the Eastern Division of the Oregon State Teachers' Association, which is to open at La Grande November 24, and last over the 26th. The announcements which have been sent out contain an elaborate program which has been prepared by the committee in charge. In the evening the address of welcome will be delivered by Colonel F. S. Ivanhoe, and this will be responded to by County Superintendent Nowlin. of this city. E. B. Conklin is also on the program to talk on "The Aid of Pupils in School Government." It is expected the city schools will close close down during the whole week, as it is Thanksgiving week.

YOUNG MEN'S CLUB.

It is Believed That the New Building Can and Will Be Erected.

No definite action was taken last night by the committee of way and means for the new young men's club. The matter of erecting their new club house was discussed, but it was decided to look further into the costs before they made any steps to organize further. It was the opinion of those present that the erection and maintenance of their own home would be the only possible way to have adequate quarters, and it is also believed that the new building can and will be erected.

A New Island.

A German sea captain reports a new volcanic island arisen from the sea in the vicinity of Tahiti. This presents a fine opportunity for an enterprising speculator to equip the isle with the necessary insurrection and sell it to Uncle Sam at the usual price.—Boise News.

GOT NO BETTER.

Mrs. Carey, Who Came Here From Tillamook for Her Health, Died Yesterday.

Mrs. Cora E. Carey, wife of W. H. Carey, died Wednesday afternoon at Hotel Pendleton of heart failure.

Mrs. Carey was 29 years of age and beside leaving a husband she leaves two children, boys of 4 and 6 years. She and her husband came to Pendleton just a week ago from Tillamook at the advice of Mrs. Carey's physician, but instead of her fast falling health getting better, it gradually grew worse until the end came in the afternoon yesterday. She had only been an invalid about four months and her death was a great shock to the husband and friends.

Mr. Carey left with the body last night for Tillamook, where it will be interred under the auspices of the Maccabees.
