## Erect Form

The long hip form is the original long hip corset. It has set the mode in corset styles. The long hip gives that deep graceful dip, rounds off the hips into graceful curves, takes all strain from the abdomen and chest and places it upon the hips and back muscles. Absolutely hygienic. The only corset for the new style skirts.

Form 989 \$1.00. Erect Form 990 \$1.00  
Form 973 \$1.25. Erect Form 992 \$1.50

There are numerous other models of the W B corsets of which you will also find at our store. Complete assortment of styles and sizes.

## THE FOOTBALL GAME

CAPTAIN SWACKHAMER IS  
CONFIDENT OF WINNING.

Coach Bryson Also Confident That  
the Pendleton High School Will  
Win.

At 2:30 today, instead of 3 o'clock,  
as announced yesterday, the Pendle-  
ton and La Grande high school foot-  
ball teams lined up on the Alta street  
grounds for a battle of 70 minutes.  
The La Grande team arrived today  
and are apparently in good condition  
for the fray. Coach Bryson, for the  
Pendleton high school team, is con-  
fident that his team will walk away  
with the big end of the score at the  
finish of the game. The men are in  
good condition and go through the  
different formations in team work  
with wonderful speed.

Tom Milarkey is again in school  
and will probably play substitute in  
this game, as he has not been prac-  
ticing with the team long enough to  
be in good condition. Milarkey plays  
end and is one of the most natural  
end players who ever played on the  
Pendleton field. He will be a valu-  
able addition to the field.

### Home Team's Position.

The Pendleton team's weight and  
positions are as follows: Right end,  
Hawks, 132; right tackle, Arnsperger,  
166; right guard, L. Cronin, 154; cen-  
ter, Scott, 167; left guard, Williams,  
142; left tackle, Baker, 164; left end,  
G. Wyrick, 132; quarter, W. Wyrick,  
138; left half, Hartman, 144; right  
half, Captain McCarty, 144; full back  
R. Cronin, 165; subs, Means, Pink-  
ham and Milarkey.

### La Grande Line-Up.

Grout, Center; Sparks, right guard;  
Grandy, right tackle; Scriber, right  
end; Bay, left end; Ailstott, left tackle;  
O. Sullivan, left guard; Caylor  
quarter; Neal, right half; E. Sullivan,  
left half; Swackhamer, fullback; Mit-  
chell and Jackson, subs.

In speaking of his team this fore-  
noon Captain Swackhamer said that  
his team was going to put up the best  
game they could and he spoke very  
confidently of winning. The La  
Grande team will not average with  
the Pendleton team in weight, but  
they are all husky boys and have been  
putting in good time practicing get-  
ting ready for this fray. This is their  
first game of the season.

### Academy Team Playing.

The Pendleton Academy team left  
this morning for Milton, where they  
played the high school team this  
afternoon. The boys left on this  
morning's train for the scene of bat-  
tle. This is their first game.

### WALLA WALLA FLEECED.

So Thinks President Evans, of the  
Taxpayers' League.

Walla Walla, Nov. 15.—The Tax-  
payers' League investigated the  
Thomas Springs situation Friday, and  
last night President Milton Evans  
said "the water development bill is  
the most barefaced, ravenest and bold-  
est piece of work I have ever seen."  
He says that there were evidences  
of some one trying to fleece the city,  
which has already spent \$22,000 on  
the site and development work at  
Thomas springs. "The remaining  
members of the league who were up,  
think as I do," said Mr. Evans.

### JAILED THE BOYS.

Would-be Young Sports Threw Rocks  
and Sticks at the Dwellings of the  
Chinese.

Night Officer Childers had the jail  
full Monday night of small boys. A  
flock of these young, would-be sports  
concluded to have a little sport at  
the expense of the Chinamen by  
throwing rocks and sticks at the win-  
dows of their houses, and the slan-  
tered individuals promptly informed  
Mr. Childers of what was going on,  
who went to the scene of the festivi-  
ties and proceeded to arrest the  
bunch of malfactors. He rounded  
them up and tied them to a long rope  
and led them to the city jail, like so  
many cattle. They were allowed to  
remain there until nearly morning,  
when they were turned out, sadder,  
but it is hoped, wiser boys. These  
boys have given the officers consider-  
able trouble heretofore and this les-  
son may teach them to respect the  
warning of the curfew bell. Parents  
should see that their children are at  
home after the bell rings. If parents  
cannot keep their children at home  
nights, they should so inform the  
state authorities and request that  
the state relieve them of the responsi-  
bility.—La Grande Observer.

### Sentenced for Life.

"Would you call stealing a kiss  
larceny?" queried the inexperienced  
young man.

"I suppose so," replied the married  
man, who was hustling from dawn to  
dusk to support his family.

"What is the penalty?"

"Why, I stole a kiss one time and  
was sentenced to hard labor for life."

"Well," said the hollow eyed man,  
"I am glad the soldiers will soon be  
able to leave the coal mining regions."

"Why?" asked the other.

"Because they will be needed to  
save human life at the football  
games."—Chicago Tribune.

The Doings of Some of the People as  
Told by the Press.

J. N. B. Gerking shipped two car-  
loads of fat hogs to the Union Meat  
Company, in Portland, several days  
ago.

Harry Rosenzweig has returned  
home from his Eastern trip. Harry  
brushed up against some great sights  
in Chicago, but he apparently likes  
the West better since his return.

Dan McIntyre was up town Satur-  
day for the first time since he was  
taken sick with fever. Dan was in  
bed for 45 days with typhoid fever,  
the result being there is not much of  
Dan left, if we except a ravenous ap-  
petite.

E. S. Waterman has sold his fine  
farm at Waterman Station, to W. W.  
Raymond. The farm consists of 320  
acres, is well improved and sold for  
\$13,500. Mr. Waterman, who owns  
the O. R. & N. experimental farm in  
Walla Walla valley, will stock it  
with thoroughbred Hereford cattle  
and registered Berkshire and Poland  
China hogs.

### More to Follow.

Pendleton made a record Sunday  
when four marriages were solemnized  
in the leading hotel parlor of the  
town within half an hour. Three of  
the marriages were consolidated into  
a triple event.—Eugene Guard.
