smithing, horseshoeing and woodwork. The Freewater Livery Stable by Loss Webb is one of the best in the county.

The North Milton Lumber Co., C. M. Williams manager, supplies a large local trade. The rough lumber handled by this company is furnished by the Fletcher mills in the mountains close at hand.

Freewater has three saloons, the Kentucky saloon, by H. Key, the "Boozero," by F. P. Miller and the Palace saloon, by Kelly & Kelly.

Freewater says she needs a bank and a lawyer. It is claimed that Freewater is a good place for a number of enterprises not yet represented in that place.

H. C. James is postmaster and J. Arnold is assistant. A. S. Pearson is local real estate agent and finds no trouble in making sales.

J. B. Graybeal is local depot and express agent and telegraph operator.

"PENNSYLVANIA."

At the Frazer Tonight Will Be Presented This Successful Play.

Coming to the Frazer theater tonight is something of unusual interest and merit in the latest state-named play called "Pennsylvania. It is the joint authorship of Daniel L. Hart, whose "Parish Priest" has provided Daniel Sully with his most artistic success, and C. E. Callahan, who has enjoyed fame as a dramatist of prominence since his 20 year ago production of "Fog's Ferry," down to "Coon Hollow," and "Pennsylvania." Prices 25, 50, 75 cents and \$1.

FRIDAY NIGHT.

The Comedy Success, "Hunting for Hawkins."

This is the era of comedy. People have tired of witnessing representations of the cares and troubles of this life, they have thrown aside the

vivid realism of the drama, with its constant reminders of the sorrow and suffering with which this life is wrought, and taken up that which will make them forget their cares and be happy. A play that is always welcome is "Hunting for Hawkins," which will come to us in a rejuvenated form in its most sumptuous dress on Friday, November 28, at the Frazer theater. Seats on sale Wednesday morning.

More Power From Niagara.

It has been decided to build a large power plant on the Canadian side of Niagara Falls, which when completed will enable the operators to furnish 200,000 horse power. A few years ago the idea of using Niagara's power would have seemed ridiculous, but the progress of invention during the past century has now made it possible. There has also been wonderful progress made in medicine during that time, the most noticeable being the introduction of Hostetter's Stomach Bitters about fifty years ago. This family medicine is for everybody but more especially for those who are weak and sickly. It will strengthen the stomach and nerves and cure indigestion, dyspepsia, insomnia, constipation and malaria, fever and ague. Try it and see for yourself.

There will be a rummage sale at the Congregational church on Thursday, Friday and Saturday, December 4th, 5th and 6th. Hats, caps, clothing and household articles of every description will be for sale. Anyone having articles which they will give for this sale are asked to notify one of the committee, Mrs. Edwards, Mrs. Hayes or Mrs. Lowell, who will call for them at once. A noon lunch will be served each day.

Startling, But True.

"If every one knew what a grand medicine Dr. King's New Life Pills is," writes D. H. Turner, Dempsie-town, Pa., "you'd sell all you have in a day. Two weeks' use has made a new man of me." Infallible for constipation, stomach and liver trouble. 25c at Tallman's drug store.

North Yakima farmers are extending a private telephone line from Moxee to North Yakima.
