UMATILLA HISTORY

(Concluded.)

Havana is 250x40 feet and 80,000 bushels are handled annually.

Early Story of the Town.

The townsite of Adams was organized in 1883 by the Adams Real Estate Association. John T. Adams was president of the company and P. A. Worthington was secretary and treasurer. W. H. McCoy was first postmaster. Reese & Redmon ran the first general store and built a building in 1884. I. D. Ferguson, R. M. Grosty and S. P. Whitley were the first saloon men. R. M. O'Brien was the first livery man. Samuel Calvert ran the first meat market. I. P. Howard established the Hotel Oregon. Dr. G. W. King was the first physician. McIntyre was the first blacksmith and was followed by J. T. Lieuallen. C. A. Barrett was the first hardware man. D. Sills made the first brick in 1884 and also supplied Pendleton at that time. H. C. Wheeler was the first barber. W. J. Snodgrass erected the first warehouse and was followed by Reese & Redmon. The first steam chop mill was established by Thos. F. Fletcher. J. L. Hodges tried to operate a mill with a windmill but failed. The Episcopalians built the first church, were followed by the Methodists and then the Baptists. The public school was erected in 1885. The Adams Times, the first newspaper appeared September 18, 1883 and suspended May 22, 1886.

Incorporated.

The town was incorporated in 1883 with T. A. Lieuallen mayor, J. W. Endicott treasurer; J. H. Kirby, recorder; F. W. Kinerk, marshal, and J. A. Bride and D. J. McFaul and J. A. Lieuallen, councilmen.

(To be continued.)

Startling, But True.

"If every one knew what a grand medicine Dr. King's New Life Pills is," writes D. H. Turner, Dempseytown, Pa., "you'd sell all you have in a day. Two weeks' use has made a new man of me." Infallible for constipation, stomach and liver trouble. 25c at Tallman's drug store.

Returned From Sumpter.

Colonel J. H. Raley, W. D. Hansford and C. B. Wade have returned from a business trip to Sumpter. They inspected the famous Golconda mine while there, and are highly pleased with the appearance of this valuable property. They report the weather there somewhat nearer the Arctic article than the balmy sunshine of Umatilla county, and return with the oft-repeated conviction that Pendleton is the most active business center in Eastern Oregon. They ex-

pected to reach Sumpter on Sunday, but were compelled to lay over in Baker City from Saturday night until Monday morning.

Avoid all drying inhalants and use that which cleans and heals the membrane. Ely's Cream Balm is such a remedy and cures catarrh easily and pleasantly. Cold in the head vanishes quickly. Price 50 cents at druggists or by mail.

Catarrh caused difficulty in speaking and to a great extent loss of hearing. By the use of Ely's Cream Balm dropping of mucus has ceased, voice and hearing have greatly improved. —J. W. Davidson, Atty at Law, Monmouth, Ill.
