Labor with what zeal we will, Something yet remains undone; Something uncompleted still. Waits the rising sun.-Longfel-

JUST AMONG OURSELVES.

cles are alive with activity. No time importance now before her. She for idleness. Plenty for all to do for must meet unflinchingly the plans and mouths to come. Business pressing business propositions that press for In the 5th century, when the warriors furiously upon every citizen. Public solution. and private interests that must be intelligently met. Plans for future achievement that must be enlarged upon and consummated. Improve-

The plans for the new club house have been accepted by the Commercial Association and the young men's of the \$20,000 worth of stock is now the public domain. before the city. Every point in the progress of this proposition has been cal features of the concern. They ble only for stone or timber. can be added after the money is raised. It is now in the plainest and most practical business garb. It remains eration that entered into her future timber speculators, who thus welfare. She can add this club build ing to her worthy institutions without extra effort. She can raise this \$20,000 worth of steel and lay the their own employes). foundation for the building inside of two weeks. The present quarters of the Commercial Club are inadequate to the growing demand for room. The need for suitable recreation and entertainment for the young people. grows more apparent day by day. is a plain, broad, business deal. It will redound to the credit and profit of the city. It will be an everlasting monument to the enterprise and public spirit of the community and the lic spirit of the community and the otherwise worthless sections inside work of building it should be entered the reserve for choice timbered land into with zeal and wisdom.

The new Academy building is near ly completed. Its addition to Pendle ton's high position as an educational center, demands an increased scope of opportunity for the social and bus iness inclinations of the young peo-

The high school journal that is to he issued by the members of that institution, is an undertaking by the young people of this city and deserves the support of everyone. As an adjunct to the high school, its mission is especially worthy of encourage ment and aid. It is to be a home product. Thought and word and sen timent of your sons and daughters; fruit of their yearning for a higher plane and broader view of life; are you in favor of such? Then make it a success that the young and the old, the city and the county will be proud

Acting upon the suggestion of Judge Hartman, this city and county should organize at once, for the pros ecution of the campaign of irrigation There must be organized effort, systematic work and thorough understanding of the plans to be put forth is unhappy. by Umatilla county for government aid. Those in charge of our propositions should be in communication now, with the government engineers and the secretary of the state association, looking to an investigation and acceptance. This irrigation cruand acceptance. This irrigation cru-wantonly, for she was innocent as an sade did not end with the convention. But it was she who was the Its climax is yet to come in the full author of Nicholas' unhappiness. She fruition of the land we love. Its meaning will be empty if we do not his love, but they could not marry, act in concert with the spirit that He was the son of an emperor and

gonian of any that has graced the business history of this state. Every citizen is a member of the brigation army. Every foot of arid land is a common for that must be vanquished.

put on her metropolitan clothes. The crown, most beneficial addition that has been added, at one stroke, to the home and business circles of this city, is the great space that lies between the glor-inauguration of free mail delivery, ions life of Victoria and the groveling From the plane of an every day town, she rises to the queenly dignity of a Pendleton's hands are full of good city, with one easy stride. In keeping things just now. The business, so with this progressive spirit of the cial, charitable and educational cir. day, she must take up the issues of

THE WORST TRUST OF ALL.

government ownership seems the worst "trust" of all, and I believe, attracted by rich spolis, a nations have applied it to the succes scheming few would control that soments that call for action. Questions scheming few would control that so of importance that cannot be postponed in the shoulders of terests, just as they control this one whenever it becomes worth their while community.

**Received by Fight spoils, a statons have applied it to the succession of the crown, as the ancients did to lands. It is a relic of fifteen hundred years old. Yer Russia clings whenever it becomes worth their while community. For example, while to do so. great prize in every country is man's inheritance—the earth; and I'll venture to say this country and its peoide would be better off today if conclub. The proposition of disposing gress had never had any control over

The land bounties, railroad grants, swamp land acts, have all resulted in satisfactorily met. It has been dealt the valuable bulk of the public dowith as a purely business transaction, main going into the hands of schemand is now on a most rigid business ing rings which stood back of each of basis. The flourishes and idealty do these ostensibly public and general not enter into the strong and practi-

What does a citizen want with an isolated 160 acre tract of such land? Obviously not to use it himself, but for Pendleton to meet it, as she has in practically every instance he se-met, successfully, every other considerates it only to sell it at once to the gathered at nominal prices about all the timber land not in general grants often calling perjury and fraud their aid, and taking up the land by

> President Cleveland, to preserve iver sources, set aside certain mounareas as timber reserves-t worthy act; but the grafters, by their willing friends in congress passed an act permitting any person having and in a forest reserve to exchange it for an equal quantity (not value) out of the reserve. This exchange be ing wholly optional. rallroads (and others) have kept all their good timper land inside the reserve, but have exchanged all their stony or burnt or but little good timber left in the pub-

What the bubles to be born 50 years hence will say to this question of private ownership of all the timber we cannot tell. It is a favorite axiom of the modern feudal baron that everyone has an equal opportunity. Obviously, the bables to be born 50 years hence will not believe this as to timber, coal, iron, water power and other natural foundation stones wealth.—C. E. S. Wood, in Louis and Diabetes in Ca. fornia. The per-Poet's Public.

RUSSIA'S TOTTERING THRONE.

Unhappy Nicholas, Czar of all the tussias, from Vladivostock to crushd defiant Poland; ruler of an empire hat reaches half way around the the new treatment for urgent cases world; all that wealth, gold, crown, kingdom and life could select or desire lying within his fingers' reach! Petersburg, Moscow-their spires, uxuries, palaces-their elegant temdes of wealth; their rice apartments. sliken and embroidered tin-

If Conches for the royal head, derdown for the royal feet! Napna, wine, rich and dainty dishes served in all the unique and won from styles, by cooks from every known clime, for the royal appetite A treasury of gold, the key at his disposal. The greatest army on earth at his command. The Russian pire for a playground; yet Nicholas Why?

When he was a boy he loved a peasant girl. Some winsome lass whose father had bent his back be neath Russian tyranny, took the son of the old czar into her heart and he was changed for life. She laid a blight upon the Russian throne-not made that convention the most eu. she, the happy, guileless thing, was

ous law of kingeraft says "no matter for love, marry a princess." peasant girl shook the Russian throne.

Nicholas married a princess and so far as life's highest accomplishments are concerned, he had as well not married at all. His are and her life are records of mutual bitterness. She was a princess, it is true, but, Ah, that lingering, clinging, tender thread that reached from the royal palace back through the story of boyhood to It bound him as peasant cot! with bonds of steel. He is only human. His heart is common clay. So his life is empty. His soul hovers over that old resplendent dream, Now that he is borne down with care, burdened with the weight of government, soured with the details of an unhappy life and driven to desperation with the thought that his children are all girls, he is said to be insune and on the point of abdication. Ah, to be a peasant, only a peasant!

But why should not three laughing girls make any father proud? Why should they be a cloud upon the royal By the same inhuman barbar brow? ism that bars a prince from wedding a peasant, women are excluded from the Russian throne. Think of it. Don't love, only marry a princess. This morning the city of Pendleton Don't let a noble woman wear a Give it to some reprobate. who can dim its radiance with a life of debauchery!

If your mind can imagine the baseness of old Leopold, you can un-derstand this Salic law. What is the Salic law?

In the 5th century, the Franks a nation of barbarians, roaming in the woods of mediaeval Germany and decreed that no woman France. should inherit the lands of her father drank blood from a cup made of the human skull; when ferocity was valor; when butchery was giory; when civilization was not even a poet's distant dream. This was the age that brought forth the Salic law. Modern

Slow healing sores are unsightly, painful and dangerous. They are a constant care and source of anxiety and worry.

Chronic, slow healing sores are fre-quently the after effects of some long debilitating sickness that leaves the constitution weakened and the blood in a polluted, run down condition, when a scratch, cut, simple boil or bruise, be-comes a fearful looking ulcer that grows and spreads, eating deeper and deeper into the flesh in spite of everything that can be done to check its progress. Old people whose blood is below the standard and the circulation sluggish, are often tormented with face sores, and indolent, sickly looking ulcers upon the limbs that give them hardly a moment's rest from

give them hardly a moment's rest from pain and worry.
Ordinary sores Purify the Blood are liable to become chronic Heal the Sore, when the blood is too weak to throw off the germs and

poisons, and no amount of external treat-ment will heal them, but they continue to grow worse and worse, and many times terminate in that most horrible of

all human maladies, Cancer.

S. S. S. cures slow healing sores by purifying and invigorating the germladen, vitiated blood and purging the system of all corrupt matter, thus striking at the real cause and removing every hindowers to a rand over and this into hindrance to a rapid cure, and this is the only possible way to reach these deeply rooted, dangerous places. S. S. only possible way rooted, dangerous places. S. S. S. strengthens and tones up the circulation, and supplies rich,

nutritious blood for the rebuilding of the constitution and healing the sore. when you get rid of the old plague spot for all time.

If you have a slow healing, stubborn ore, write us about it, and our Physicians will advise you without charge. The Swift Specific Co., Atlanta, Ga.
