A Million Voices

Could hardly express the thanks of Homer Hall, of West Point, Ia. Listen why: A severe cold had settled on his lungs, causing a most obstinate cough. Several physicians said he had consumption, but could not help him. When all thought he was doomed he began to use Dr. King's New Discovery for Consumption and writes—"It completely cured me and saved my life. I now weigh 227 lbs." It's positively guaranteed for coughs, colds and lung troubles. Price 50c and \$1.00. Trial bottles free at Tallman & Co.'s drug store

Daughters of Confederacy.
Fort Worth, Texas, Dec. 2.—Fort Worth has opened wide its gates to the scores of fair delegates who have arrived for the annual state convention of the Daughters of the Confederacy. The convention will be in session during the next three days and judging from the present indications it will be the most successful in the history of the state society. Austin, Galveston, Houston, Corsicana, Waco, Terrell and other cities of the state have sent large numbers of delegates who are being handsomely entertained by the local members of the society and by the people of Fort Worth generally.

An ostrich never goes straight to its nest, but always approaches it with many windings and detours, in order to conceal the locality from observation.

GRAIN-O

THE PURE GRAIN COFFEE

The coffee habit is quickly overcome by those who let Grain-O take its place. If properly made it tastes like the best of coffee. No grain coffee compares with it in flavor or healthfulness.

TRY IT TO-DAY.

At grocers everywhere; 15c. and 25c. per package.

Schlitz MILWAUKEE'S LARGEST BREWERS

Over One Million Barrels of Schlitz Beer Sold in One Year

This makes us, by over one hundred thousand barrels, Milwaukee's largest brewers, and Milwaukee, as you know is the most renowned brewing center in the world.

THIS IS HOW IT WAS DONE

For fifty years we have doubled the necessary cost of our brewing that Schlitz Beer might be pure.

We cool Schlitz Beer in plate glass rooms, and all the air that touches it comes through air filters.

We age our beer for months before we market it. That is why Schlitz Beer doesn't cause biliousness.

We filter Schlitz Beer through wonderful filters, then sterilize every bottle after it is sealed.
