The only shots that count, are the shots that hit -- Roose

Roosevelt can speak as straight to the mark as he can shoot. His message has a knowing ring about it; it tells a dry story in an interesting manner. It's direct and vivid thought proves that he has handled his subfamiliarity with the issue involved. This is the situation. Will Roose-Precise, elegant, statesmanlike, bold velt or his party be triumphant? Will themselves, exclaimed Joaquin Milfeature in it that betrays a lack of common-place, yet inlaid with touches ness? of scholarship and flashes of literary skill that betray the author under the robe of state. And while he is look, man lines management will soon inand experimental politician, yet his must be well considered before it is Meridian Hill just this side of Mount fearlessness and independence, his hailed as a joyous bit of news. In the Pleasant, 20 years ago. I liked Washrugged Western thought and undenla- first place, so many workingmen ne- ington, but left when people got to ble ability, endear him to all classes glect to provide insurance for their

He touches upon the leading quesner; with equal grace he bows to the gigantic trusts, and smiles at the laborer who is listening for a promise of relief. Emphatic on many points, just ful flourish that has a score of pleas. the employes' funds ant meanings, he sweeps past the ranks of the masses and leaves a ripple of satisfaction and pride where serious thought and a cecisive stand would expose a weak point in his policy. By a diplomatic reference to patriot who loves liberty and personal freedom. Yet his expressive rhetoric restrictive legislation. By a smooth sentence expressing the bare fact that

HUNZKIER

to halt in admiration of the meaning, and safe blowers at The Dalles and the author personally are compelled which seems to be struggling between the lines that is in sympathy with the masses. If he is indeed, the reformer he seems to be if he has any intention of carrying out the the Cunningham-Lafontaine-Garretson plans that he has drawn with such at stock and land deal, is that all the tistic flourish, for the edification of men and all the money still remain those who are weary of present condi- in Umatilia county. tions, the future bolds many a good fight between the clashing factions LITERATURE AT WHITE HOUSE, that now adorn his party.

Tariff revision is the ogre that now stands before the party altar. Will Roosevelt's roseate dream of a great non-partisan tariff commission be acceptable to those of his party who the club building. It is your instibelieve that the world revolves with tution, don't forget it. in the high tariff idea." Will he be is not sterotyped. There is not a satisfied with anything less than his JOAQUIN MILLER LOVES JAPAN. ideal of a tariff commission"

enough and fair enough if it were put the promised relief from the trusts ler the renowned Californian enough and fair enough if it were put the promised rener from the trusts. Mr. Miller, with his flowing white into the organic law of the land, to be forthcoming or are his words locks, his long beard, and his cosmake an ideal government. Strong empty and the literature of the White tume of old-fashioned broadcloth, was enough, it it is sincere, to hold the House a hollow mockery and less curiously regarded by many guests forces of evil in check. Practical than a tinkling cymbal of nothing as he stalked through the lobby of his

The murderous Turk is once more butchering the defenseless women and its great poet Yene Nogunchi and children of Armenia. If Turkey am in love with Nippon the land of were accessible to the United States, the purple butterfly, and have spent just one of these wholesale slaughters some of the happlest hours of my life or the innocent would overrun her over there. The people are of finer the inviolability of property, he divers attention for a moment from the evils of the great combines and evils of the great combines and of the Turks' chastisement would be ours and I will prove it at some fubeyond imagination. It is a diagrace ture time. Now, I will quote you just to the civilized European powers that a short verse from Yone Nogunchi, does not meet the crying need for such outrages occur within gun shot who is the greatest poet of the East of their shores.

The recommendation by President The great white beautiful high-born this is an age of federation, he leaves Roosevelt in his message, that old It comes straight down out of heaven; the struggling masses standing in worn-out cavalry and government open-mouthed wonder, after beseech team horses are used in light work it breaks its hearr on the cold, cold ing them to strive for "healthy, lofty about the barracks and when anally too feeble for this, that they be mer-Somehow there is a fascination in cifully put to death, instead of being The father of Supreme Judge Wol-

heart of a sympathetic man. This old barbarous practice of encouraging cruelty to worn-out animals is gradually dhappearing.

> There is a touch of modesty even in the common drunk. The police courts deal with "John Doe" every day, and yet John Doe is nobody. If every man answering this name or refusing to give his own name, were fined double, some of the elegant gentlemen who grace the "disorderly record would improve their conduct.

"Pirst come, first served," is the rule that will apply in the distribution of the irrigation fund of Oregon Umatilla county caunot afford to delay. The little delays we indide will grow into a large loss

A few more swift doses of justice like those administered to burglars in this county, will cause bliers to think twice before appropriating the hard earnings of other people

One good feature of the failure of
