GOLDEN JUBILEE

ODD FELLOWS CELEBRATE FIFTIETH ANNIVERSARY.

Many Prominent Pioneers of the Northwest Take Part in the Ceremonies—Silas J. Day Oldest Past Master in Oregon.

Salem, Dec. 9.—The half century anniversary, or golden jubilee of Odd Fellowship in the Northwest was celebrated last night in the Grand Opera house, under the auspices of Cheneketa Lodge No. 1, of this city.

Every incoming train during the day brought many three-linkers into the city and at 8 o'clock the opera house was well filled with members of the two local lodges and visitors from all parts of the state.

The oldest past grand master in the state, Silas J. Day, of Jacksonville Lodge No. 10, presided at the services last night. Mr. Day was at the head of the order as far back as 1808, at which time the jurisdiction covered Oregon, Washington and Idaho, and when Odd Fellowship was not so great an institution on the Pacific Coast as it is today.

Fifty Years Old.

It was just 50 years ago last night that B. F. Harding, Joel Palmer, E. N. Cooke, E. M. Barnum and C. S. Woodworth met and under a dispensation organized Cheneketa Lodge No. 1. These men have all passed to the other shore, but the noble work they performed remains as a monument to their worth, and the dispensation under which they organized Cheneketa Lodge No. 1 still hangs in the Odd Fellows' hall, and the grand celebration last night was a fitting tribute to their memory.

Northwest Pioneers Present.

Among the prominent members who were in attendance at the 50th anniversary celebration were: J. J. McGee, past master of Idaho; Silas J. Day, Le F. A. Shaw, Phil Metschan, R. Alexander, Claude Gatch, George H. Burnett and Dr. W. T. Williamson, past grand masters of Oregon.

At the conclusion of the evening's program at the opera house, 500 Odd Fellows and their wives or other invited guests repaired to the Armory in the city hall, where a banquet was given.

Two severe cases of Ovarian Trouble and two terrible operations avoided. Emmons and Mrs. Coleman each how they were saved by the use of Lydia E. Pinkham's Vegetable Compound

"DEAR MRS. PINKHAM:—I am so pleased with the results obtained from Lydia E. Pinkham's Vegetable Compound that I feel it a privilege to write you about it.

"I suffered for more than five years with ovarian troubles, an unpleasant discharge, a great weakness, and at times a fainting would come over me which no amount of medicine, diet, or exercise seemed to correct. Your Vegetable Compound found the weak spot, however, within a few weeks—and saved me from an operation. All my troubles had disappeared, and I found myself once more hale and well. Words fail to describe the real, true, grateful feeling in my heart, and I want to tell every sick and suffering sister. Daily with medicines you know nothing about, but take Lydia E. Pinkham's Vegetable Compound, and take my word for it, you will be a different woman in a short time."—Mrs. LAURA EMMONS, Walla Walla, Ont.

Another Case of Ovarian Trouble Cured Without an Operation.

"DEAR MRS. PINKHAM:—For several years was troubled with ovarian trouble and a painful and inflamed condition, which kept me in bed most of the time. I did so dread a surgical operation that I tried different remedies hoping to get better, but nothing seemed to bring relief until a friend who had been cured of ovarian trouble, told me of the use of your compound, induced me to try it. I took it faithfully for three months, and at the end of that time was glad to find that I was a woman. Health is nature's best gift to woman, and if you lose it and can have it restored through Lydia E. Pinkham's Vegetable Compound I feel that all suffering women should know of this."—Mrs. LAURA BELLA EMMONS, Commercial Hotel, Nashville, Tenn.
