New York, Dec. 18.—There was an extraordinary melting of prices in the last half-hour of today's market, following a marking up of quotations during the previous portion of the session. Shortly before 2:30 prices were at the highest of the day, and net gains of two points or over had been attained by leading stocks here and there in all the principal groups such as Pennsylvania, Southern Pa-cific Missouri Pacific St. Paul, Rock Island preferred, Delaware & Hudson and Sugar. In the last half-hour St. Paul dropped back abruptly 3%, and some of the other stocks were carried swiftly downward.
