A LARGER BUSINESS

PENDLETON POSTOFFICE REPORT PHENOMINAL.

Business of 1902 is Far Above That of Previous Years—Very Satisfactory to Officials.

That Pendleton is growing very rapidly and her business increasing, is evident on every hand, but the surest criterion of the increase in business is a glance at the increase in the business of the postoffice.

The report for 1902, which has been completed, shows a phenomenal increase in receipts. The total receipts for the quarter ending June 30, 1901, were \$2,594.55, against \$3,039.87 for the same quarter of 1902. This shows an increase in business for 1902 of \$445.32 over the amount taken in during the same three months of the previous year.

For the quarter ending September 30, 1901, the receipts of the office were \$2,706.41, against \$3,041.19 for the same quarter of 1902, or showing an increase of \$334.78.

For the quarter ending December 30, 1901, the business in 1901 ran the receipts up to \$3,489.08. During the same months of the year just ended the receipts were \$4,016.38. This shows an increase of \$527.30 during the last three months of the year just ended over the same months of 1901.

This report is very satisfactory to the federal authorities. Postoffice Inspector Clark said today that there was no doubt but next year's business would place the Pendleton postoffice in a higher grade than it is at the present time. With the present receipts the postmaster is getting \$2,300 a year, and it is expected that the receipts will raise this salary to \$2,400 next year.

DISTRICT CONVENTION.

Knights of Pythias to Meet Here the 10th of January—Knight Rank to Be Conferred on a Class of 18—Many Prominent Knights of the State Expected.

Damon Lodge No. 4, Knights of Pythias, of Pendleton, is making extensive preparations for the district convention, to be held here the 10th instant.

The members of the team who will confer the Knight rank on a class of 18 on the evening of the 10th, are hard at work preparing themselves and the class for the finishing touches. The work in the lodge has been so rushing and crowded recently that a special meeting has been called for Friday night that the team may prepare the class for the Saturday night's work.

The convention is to be held in Music hall, which will be appropriately decorated for the occasion.

Aside from the members of the five Pythian lodges in the county being here to take part in the convention, many prominent Knights from different parts of this state will be present. Among them will be:

Past Grand Chancellor W. L. Bradshaw, of The Dalles; J. H. Aikin, of Huntington; W. M. Calk, of Portland; J. P. Kennedy, of Portland, and G. W. Jett, of Baker City. Supreme Representative Turner Oliver, of La Grande; Grand Keeper of Records and Seals L. R. Stinson, of Salem; Grand Master at Arms M. F. Davis, of Union. It is also expected that others will be here, but the above have declared their intention of coming and sent their names to the local lodge.

CATTLE MEN PROSPEROUS.

Cannot Meet the Heavy Demands for Beef in Portland and Sound Cities.

Over 300 head of Butter Creek beef cattle have been sold within the past week at 4 cents on foot.

George Vincent has contracted to deliver 250 head on January 15, at 4 1/2 cents on foot, and a further delivery is to be made March 1, at the same figure.

John McCarty, of Ione, shipped a carload to Portland, at 4 cents, and other small shipments have been made from that locality.

A large number of cattle are being fed on Butter Creek, the shipments so far not including any stock intended for spring markets. It is the belief of stockmen in this locality that beef will be 5 cents by March.

The demand from Portland and the Sound is unprecedented. The rivalry between the two points is very warm and buyers are trying to contract every hoof in the feed yards in advance.

Heads Should Never Ache.

Never endure this trouble. Use at once the remedy that stopped it for Mrs. N. A. Webster, of Winnie, Va. She writes: "Dr. King's New Life Pills wholly cured me of sick headaches I had suffered from two years." Cure headache, constipation, biliousness. 25c at Tallman & Co.'s drug store.

Mark F. Jones' piano car will remain in the city only a few days longer, during which time special inducements will be given prospective buyers. Agents for Weber, Cable, Kimball and other pianos, also the Tom Thumb Gickering Grand, the greatest little piano ever made. Call and see us.
