SPORTSMEN'S MEET

FIRST ANNUAL TOURNA-
 MENT TO BE HELD HERE.

Printed Programs Now Out—Large
 Attendance Expected—Very Liberal
 Prizes Given by Pendleton Business
 Men.

The printed programs for the first
 annual tournament of the Pendleton
 Sportsmen's Association are now out.
 The tournament will be held on the
 grounds in this city on January 25-6.
 The program consists of 20 regu-
 lar events, with the addition of one
 consolation event arranged and added
 by a party of Pendleton business
 men.

The entrance money amounts to
 \$35 and as the tournament is being
 well advertised and the local sports-
 men are using every effort to make
 the meeting thoroughly successful, a
 large attendance is assured.

The entrance money of \$35 multi-
 plied by 50 entries would mean over
 \$2000 regular money to be distributed
 to the contestants. The number of
 participants is now almost assured
 from advices received from different
 parts of the Northwest.

To this regular prize money, the
 business men of this city have added
 \$355 in special prizes to be distrib-
 ed among the 20 events of the pro-
 gram. This makes the prizes espe-
 cially enticing and the public spirited
 action of the business men is highly
 appreciated by the association.

The added prizes offered by Pen-
 dleton are as follows:

 donated for the person making the
 lowest average through the entire
 program. Only those shooting through
 the entire program and making less
 than 75 per cent average will be el-
 igible to the consolation event.

Arrangements have been made with
 the railroads entering the city for
 one and one-third fares. Persons buy-
 ing tickets to Pendleton will pay full
 fare, and take a receipt, which re-
 cept being signed by the secretary
 of the association, entitles the hold-
 er to one-third fare returning.

The officers of the association are
 as follows:
 F. F. Wamsley, president.
 F. W. Walte, vice-president.
 Lee Teutsch, treasurer.
 H. J. Stillman, secretary.

Policeman and Parson.

Policemen are, as other men, rather
 sensitive of allusion to their failures.
 Richmond has lately suffered at the
 hands of burglars, and the burglars
 are still at large. A well known mi-
 nister met a policeman in the street
 the other day at Richmond, and could
 not avoid an allusion to the local
 topic. "What a number of burglars
 there are about," he said; "why don't
 you constables arrest them?" The
 policeman regarded the minister so-
 lemnly. "Sir," he replied, "there are
 thousands of people going to hell
 every day. Why don't you ministers
 stop them?"

Ten Dollars Reward.

Lost—Last May, one bay horse;
 weight about 1200 pounds, branded
 65 on left shoulder, mane roached
 last spring. Will pay above reward
 for return of same to Purf Bowman.

The average pupil attends school
 98.8 days a year.

Australia is now exporting agricul-
 tural machinery to Argentina.
 Last year nearly 8,000,000 bushels
 of potatoes were imported to the
 United States.

A few years ago the balsam fir tree
 was considered one of the most
 worthless of forest trees, but since
 the growth of the Christmas tree in-
 dustry, it has taken on an added
 value.

For Sale—One good fresh cow, five
 due to have calves soon. All good
 milkers. Also a few good stock
 cows. L. B. Smith, McKay, Ore.

Wires screens are now placed in the
 tramway cars at New Orleans to sepa-
 rate negroes from white passengers.

SPARRING CONTEST.

Ten-Round Go to a Decision, Between
 L. Cheney and Frenchy, at Frazier's
 Opera House, Monday Night.

Articles of agreement were signed
 by L. Cheney and Frenchy today for
 a 10-round contest to take place at
 Frazier's opera house Monday even-
 ing, January 12. This mill was to
 take place Saturday evening, but was
 postponed until Monday.

Frenchy is the well-known hard-
 hitting local boxer.
 James Lavigne will give an exhibi-
 tion of fancy and speedy bag punch-
 ing and several bouts between fast
 local talent will be features. A satis-
 factory exhibition is guaranteed all.

The Year's Charity.

The list of bequests for charitable
 and religious purposes in this country
 in 1902 shows a considerable falling
 off from last year's remarkable total
 of \$123,888,732. But \$77,397,167 is
 still an enormous sum, and one well
 in advance of 1900 or any previous
 year; and it is probable that gifts of
 less than \$10,000, of which no record
 is kept, have been larger than ever
 before.

 ary."—Brooklyn Eagle.
