NEWS OF MILTON

THINKS COUNTY COURT NEEDS TAKEN CARE OF.

Henry Spence Falls a Distance of 18 Feet--Teacher McDaniels Will Drown the Gophers.

Milton, Ore., Jan. 22.—John Royce and son, Clyde, of Hardman, Ore., were in Milton a few days ago calling on friends and relatives. Mr. Royce is an uncle to Mrs. W. S. Mayberry of this city.

William Anderson and Frank Worthington hauled about 200 loads of earth into their yards and made other improvements around their property.

William Townsend, of Walla Walla is building Mr. Osborn's new barn and has it nearly completed.

Henry Spence fell a distance of 18 feet last Wednesday from the top of a barn, when he was working, spraining his ankle badly and bruising himself up otherwise. Though no bones were broken he will be confined to the house several days.

Kyle McDaniels, who is teaching school in district No. 83, has bought 20 acres of land of Asa Hodgen near Vincent school house and proposes to sow it in alfalfa if he can get enough water to drown the moles and gophers on it.

Every county shall make provision for its indigent, but when it comes to exercising such judgment about them as has been done by the county court in paying \$84.61 an acre for land no better than can be bought for less money, then its a hard matter for us to see which should be taken care of first, the indigent or county court.

(It is now said that there are 160 acres in the farm, which would change the above figures to \$68.75.—Ed.)

ECHO NEWS NOTES.

Movements of People in That Flourishing Neighborhood.

Echo, Jan. 23.—G. W. Hunt has purchased 7000 pounds of alfalfa seed to sow on his Foster ranch this spring.

A Ladies' Aid Society has just been organized in this city. Mrs. H. C. Willis is president.

O. D. Teel, an extensive farmer and stockman, of this vicinity, is attending court in Pendleton.

Another rabbit drive will be arranged within a short time and the promoters expect a larger crowd than attended the last one given.

R. Jones, the saddler, has been in Pendleton this week attending court. Mr. Jones purchased the horse belonging to M. J. Carrey, of Pendleton, which James Linder is accused of appropriating.

Feltz and Goodman to Meet Again.

Boston, Jan. 23.—The Lenox Athletic Club has arranged a good card for its boxing show tonight. The star bout is to be furnished by Tommy Feltz and "Kid" Goodman, who are slated to go six rounds at 118 pounds. The two fighters are old-time rivals in the ring and are counted upon to put up an interesting contest.

THE DOCTORS FEAST.

Physicians Who Are Members of the Legislature Banquetted.

The Marion County Medical Society on Tuesday evening gave a banquet to visiting physicians who are members of the legislature. The subject of the creation of a state board of health was discussed. The sentiment among the medical profession in attendance was unanimously in favor of such a measure creating such a board with full quarantine powers. The banquet was a decidedly happy affair, and served to promote a better acquaintance among the members of the profession, and permitted the interchange of ideas on legislation pending before the state legislature, and in which the physicians of the entire state are interested.—Salem Journal.

The Secret of Long Life.

Consists in keeping all the main organs of the body in healthy, regular action, and in quickly destroying deadly disease germs. Electric Bitters regulate stomach, liver and kidneys, purify the blood and give a splendid appetite. They work wonders in curing kidney troubles, female complaints, nervous diseases, constipation, dyspepsia and malaria. Vigorous health and strength always follow their use. Only 50c, guaranteed by Tallman & Co., druggists.

To Avoid "Mix-Ups."

The Western Union Telegraph Co. is erecting 45-foot poles on which to string its wires from the city office to the Oregon Railroad & Navigation Company's depot. The shorter poles now in use do not raise the wires above the trees, and the mixing of the limbs and wires during windstorms has been a menace to telegraphic communication. A force of 15 men is now employed at the work, and it is expected to have it completed within three weeks.—Walla Walla Union.

Heads Should Never Ache.

Never endure this trouble. Use at once the remedy that stopped it for Mrs. N. A. Webster, of Winnie, Va. She writes: "Dr. King's New Life Pills wholly cured me of sick headaches I had suffered from two years." Cure headache, constipation, biliousness. 25c at Tallman & Co.'s drug store.
