## OPPOSE RANGE LIMIT

### AGRICULTURAL COMMITTEE REPORTS ADVERSELY ON BILL

Sheepmen Attend Committee Meeting and Persuade Lawmakers It Would Harm Wool Industry.

Salem, Ore., Jan. 24.—The house committee on agriculture met Thursday and decided to make an adverse report on Burleigh's one-mile limit sheep grazing bill. The subject has become a live issue in many parts of Eastern Oregon and a formidable movement has developed against unrestricted use of the ranges by large bands of sheep. The small stockmen think their interest are jeopardized, and some of the cattlemen are of the opinion that anything detrimental to the sheep and wool industry must be beneficial to them.

The session of the committee was attended by all the representatives from the Twenty-first and Twenty-eighth representative districts, by A. M. Kelsey, Representative Phelps and A. McGree, of Wasco, and by R. F. Hynds, ex-secretary of the Oregon Woolgrowers' Association. All were opposed to the Burleigh measure, which provides "that it shall be unlawful for any persons owning and having charge of any sheep, to herd the same, or permit them to be herded on the lands of possessory claims of other persons, or to herd the same or permit them to graze upon unappropriated lands within one mile of the dwelling house of the owner or owners of such lands or possessory claims, or within one-half mile of the boundary lines of such lands or possessory claims."

The measure further provides that sheep, cattle or horses cannot run at large in a county in which the owner does not reside, unless a permit shall be obtained; and the tax thereon shall be 20 cents each for sheep and \$1 per head for horses and cattle.

The sheepmen appear to agree that it is proper to impose a reasonable tax on sheep owned in one county and feeding in another, and a measure carrying out that policy will, it is said, be presented by them.

Mrs. Martha Morgan, a pioneer woman of Weston, died this morning at 8 o'clock at the home of her daughter Mrs. Sarah McDougal, in this city, at the age of 70 years, after a short illness with pneumonia.

Mrs. Morgan was born in Missouri January 9, 1833, and was married to her first husband, James M. Lieualen, November 6, 1851, in the same state. They crossed the plains in the same immigrant train with her parents, Mr. and Mrs. Andrew Kilgore, and located near Weston in 1853 on the place now occupied by C. F. Hulfinch, being among the first settlers in this neighborhood. Mr. Lieualen died in 1888, and his widow was remarried November 16, 1890, to J. S.
