ANOTHER WONDER OF SCIENCE.

Biology Has Proved That Dandruff is Caused by a Germ.

Science is doing wonders these days in medicines. Since Adam delved, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newbro's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality, causing itching scalp, falling hair and finally baldness. Without dandruff, hair must grow luxuriantly. Herpicide at all druggists. It is the only destroyer of dandruff.

HELIX HAPPENINGS

WM. PIPER'S DAUGHTER IS DANGEROUSLY ILL.

Weather Cold and Disagreeable—Preaching at Christian Church—Personal Items—Girl Born to Mr. and Mrs. Montgomery.

Helix, Jan. 29.—The weather, which has been so warm and pleasant, is today very cold and disagreeable.

The young daughter of William Piper, who has been dangerously ill with scarlet fever, is improving fast under the care of Dr. Griswold.

Mr. Copple, of Pendleton, will preach in the Christian church here next Sunday. He will also preach twice a month the coming year.

Al and Wesley Grover returned Saturday evening from lone, where they have been visiting relatives.

Mrs. Charles Stanton is very sick at her home in Helix.

Miss Lulu Simpson, of Weston, is with her aunt, Mrs. Frank Richmond of this place.

Mrs. Frank Simpson, of Athena, is visiting at the home of her mother, Mrs. Rush, of Sauthollow.

John Smith, of Pendleton, was in Helix Wednesday.

Luke Holmes drove out from Pendleton Tuesday afternoon.

Mat Mosgrove, of Milton, is here looking after the interests of the Athena Mercantile store.

Mr. and Mrs. Frank Cargill are in Riverville on a visit to relatives.

Born to Mr. and Mrs. Alex Montgomery, on Sunday, January 25, a girl.

Finds Way to Live Long.

The startling announcement of a discovery that will surely lengthen life, is made by Editor O. H. Downey, of Churubusco, Ind. "I wish to state," he writes, "that Dr. King's New Discovery for Consumption is the most infallible remedy that I have ever known for coughs, colds and grip. It's invaluable to people with weak lungs. Having this wonderful medicine, no one need dread pneumonia or consumption. Its relief is instant and cure certain." Tallman & Co. guarantee every 50c and \$1 bottle, and give trial bottles free.

"Burglar and Waif."

The company which supports Miss Inez Forman in "The Burglar and the Waif" which comes to the Frazer Saturday night, is a very strong one. Miss Forman herself is exceptionally clever, and as the waif has received the highest praise wherever she has appeared. J. Frazer Crosby adds to the effect of his splendid work as the waif's lover by expressing his love in a song which shows his magnificent baritone voice to great advantage. Charles and Adelaide Plunkett have supported Mrs. Fiske in "Tess" and "Becky Sharpe"; Kathryn Kidder in "Madame Sans Gene" and "Francis Wilson," and their reputation is firmly established. Miss Clara Reynolds Smith, Harry W. Mitchell, Charles H. France and L. S. DeKalb make up a cast that is well nigh perfect. At the Frazer Saturday, January 31.

"A Gambler's Daughter."

When Owen Davis, the playwright, wrote "Through the Breakers," "Lost in the Desert," and several other very popular melo-dramas, it was believed that he had gained about all the glory an author could desire from an appreciative public, but still he was not satisfied and wanted to do better than ever. So he penned another melo-drama, "A Gambler's Daughter," and the piece was produced in Chicago recently with such phenomenal success that all his triumphs of the past were eclipsed. The same company that made the Chicago success possible, will produce "A Gambler's Daughter" at the Frazer next Monday night, and the same elaborate scenery which helped make the original production noteworthy, will be used in the presentation of the play in this city, a special car being required to transport the great equipment.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of their healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.

Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.

Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to the original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. Please to remember, the full name of the Company—CALIFORNIA FIG SYRUP CO.—is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only. For sale by all reliable druggists.
