

# Help For Working Women

The suffering and pain endured by many working women is almost beyond description.

How distressing to see a woman struggling to earn a livelihood, perform her household duties when her back and head are aching! How so tired she can hardly drag about, and every movement causes pain, the origin of which is quickly traced to some derangement of the female organism.

When the monthly periods are painful or irregular, when backaches and headaches drive out all ambition, when "I-can-hardly-drag-about" sensation takes you, when you are "so-nervous-it-seems-as-if-you-would-fly," it is certain that some female derangement is fastening itself upon you. Do not let the disease make headway; write your symptoms to Mrs. Pinkham for free advice, and begin at once the use of

## LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Profit by the Experience of the Women Whose Letters Follow:

Mrs. PINKHAM:—I wish to write and thank you for all you have done for me. I have been suffering with womb and ovarian trouble for about four years and tried everything, but found no relief. I consulted the best specialists in St. Paul, Minneapolis and Chicago. I thought at times I would go crazy, I decided to quit the doctors and give Mrs. Pinkham's remedies a trial. I used both Lydia E. Pinkham's Vegetable Compound and Sanative Wash, and now find myself completely cured. I had the doctor make an examination and he said I was cured. I cannot say enough for what your remedies have done, and have advised all my friends to try it."—Mrs. CLARA MALL, with N. P. & Nat. Express, Madison, Wis.

Mrs. Stafford, 243 East 114th Street, New York, N.Y., says:

"It gives me great pleasure to tell you of the relief I have derived from taking Lydia E. Pinkham's Vegetable Compound. I am now enjoying better health than I ever did. It seemed to me that I had no strength at all. I could hardly drag about. I was in pain all over. I began to feel better after taking the first dose, and am now like a new woman. I know that if other suffering women would try it, it would help them. Thank you with all my heart for what your medicine has done for me."

## MISS SARAH FINLEY, Vice-President of the Palmetto Club, Memphis, Tenn.

**WINE OF CARDUI** is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body. Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the

following praise on Wine of Cardui: "Among the numerous medicines placed before suffering women for their relief none can touch McElee's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed." "If you are suffering from female weakness Wine of Cardui is the medicine you need. You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.

### BOOK LOVERS FRIEND.

Pendleton Favored by Having a Circulating Library—Not Expensive to Read All the Late Books.

In many cities and towns throughout the country, clubs are formed by book lovers for the purpose of securing the latest popular book to read and books are passed from one member to another, but in Pendleton such clubs are not necessary as the circulating library established by L. G. Frazier fills the bill to a nicety and answers all purposes. By the system in vogue at Frazier's book store, book lovers have at their service all the newest books as well as the standard works. There is no initiation fee or red tape. If you desire to read any book, call, and by the payment of a small sum you can rent it to read, and when finished, return it. Frazier's circulating library has been popular since its inception and has proven itself a boon to book readers to secure all the new books at the present day, when they are appearing so rapidly would be exceedingly expensive, and place in the homes many books that the reader would not have occasion to refer again. Frazier's circulating library just fills the bill.

Cogs of paper are now inserted in the wheels of high-speed machinery. They are noiseless and very durable.
