Nasal CATARRH

In all its stages there should be cleanliness.

Ely's Cream Balm cures, soothes and heals the diseased membrane. It cures catarrh and drives away a cold in the head quickly.

Cream Balm is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at Drug Store or by mail; Trial Size, 10 cents by mail.

ELY BROTHERS, 56 Warren Street, New York

IN SUPREME COURT

DECISIONS RENDERED ON LOWER COURT APPEALS.

Judge Eakin of Union, Has Envious Record—Boise Holds Highest Percentage of Reverses; Burnett Lowest.

A reporter for the Albany Herald has gleaned through the 40th Oregon report of the supreme court decisions and finds that about 82 cases have been decided on their merits and reported in that volume. More appeals are reported in the volume from Judge Boise than from any other judge in the state and fewer of his decisions were reversed in proportion to the number approved than any other judge.

Robert Eakin of the eight judicial district is the only judge in the state from whose court no appeal is given in the report.

The record of all the other judges were as follows:

Benson, two appeals and two affirmed; Boise, 15 appeals, 11 affirmed, three reversed and one modified; Burnett, nine appeals, two affirmed and seven reversed; Bradshaw, one appeal, and one affirmed; Cleland, 13 appeals, eight affirmed, four reversed and one modified; Clifford, one appeal and one modified; Eakin no appeal; Ellis, two appeals, one affirmed and one modified; Frazier, five appeals, three affirmed and two reversed; George, one appeal and one affirmed; Hanna, two appeals, one affirmed and one modified; Hamilton, six appeals, three affirmed, two reversed and one modified; McBride, 10 appeals, six affirmed and four reversed; Sears, 14 appeals, six affirmed, seven reversed and one modified. The Portland bench sitting in joint session were affirmed one and reversed one.

Of the 83 cases appealed and tried on their merits 46 were affirmed, 36 reversed and seven modified. Of all these judges from whom any number of appeals were taken Judge Boise stands highest on percentage of reverses and Judge Burnett lowest.

TO LOAN IDLE SCHOOL FUNDS

Kay's Bill Will Take Care of Over \$700,000.

Salem, Ore., Feb. 6.—Discussion in the senate this morning over the manner of providing for the investment of the idle school funds in the state treasury indicates that H. B. 46, by Representative Kay, will become a law. The subject was presented when S. B. 88, by Wehrung, on the same subject, came up for final action in the senate. The committee on education had reported unfavorably, but Senator Wehrung was not satisfied. He wanted his bill put to a vote. He demanded to know why his bill had been reported unfavorably. Senator Daly, chairman of the committee on education, explained that Kay's house bill contained a more full and comprehensive provision governing the matter, and that it should pass. Senator Booth said that it is the desire of the committee that the bill that shall pass shall be sufficient to accomplish its purpose, and he believed Kay's bill the best before the legislature.

Wehrung's bill was defeated, thus showing the intention of the senate to pass Kay's measure instead. This bill is important for the reason that it proposes to put out at interest some \$725,000 of idle school funds.

Saved Her Child's Life.

"In three weeks our chubby little boy was changed by pneumonia almost to a skeleton," writes Mrs. W. Watkins, of Pleasant City, O. "A terrible cough set in, that, in spite of a good doctor's treatment for several weeks, grew worse every day. We then used Dr. King's New Discovery for Consumption, and our darling was soon sound and well. We are sure this grand medicine saved his life." Millions know it's the only sure cure for coughs, colds and all lung diseases. Tallman & Co. guarantee satisfaction, 50c, \$1. Trial bottles free.

New Railroad Progressing.

Denver, Col., Feb. 6.—The Laramie, Hahn's Peak & Pacific railroad has 25 miles of grading done south of Laramie, Wyo. It is reported that the company will build a branch to Gold Hill and into the Columbia Basin next summer. The road will be operated as an independent line. That the branch will open up a rich mineral section is demonstrated by the fact that the placer gold alone taken from the Hahn's Peak district has amounted to more than \$300,000.

Bucklen's Arnica Salve.

The best and most famous compound in the world to conquer aches and kill pains. Cures cuts, heals burns and bruises, subdues inflammation, masters piles. Millions of boxes sold yearly. Works wonders in boils, ulcers, felons, skin eruptions. It cures or no pay. 25c at Tallman & Co.'s drug store.

Old Papers.

While they last, 25c for a large bundle of old papers. Good to light your fires with. We need the room; you need the papers. East Oregon office.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.

Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.

Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to our original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. Please to remember, the full name of the Company—CALIFORNIA FIG SYRUP CO. is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only. For sale by all reliable druggists.

MILLER DIES.

Underwent Nine Operations for Appendicitis in One Year.

Walla Walla, Feb. 7.—After undergoing nine distinct operations for appendicitis, extending over a period of a year, Thomas Miller, the 23-year-old son of ex-Senator David Miller, died at the home of his father yesterday. The immediate cause of death was perforation of the bowels.

Over a year ago Mr. Miller was stricken with a severe sickness, and shortly afterwards it was announced that nothing but an operation would save his life. One operation followed another until the number grew to nine. Surgeons at Portland and other cities were consulted in the case, and two operations took place at hospitals in Portland. Two months ago the last operation was performed.

Deceased was 23 years of age and a native son of Walla Walla county. He was educated in the high school and college of the city. The funeral will be held tomorrow from the residence of Senator Miller, 10 miles northeast of Walla Walla.

OREGON WEATHER FOR 1902.

Umatilla City the Driest Point in the State—Glencora, Tillamook County, Had Most Rain.

Temperature.

The mean temperature for the year over the whole state was 50.8, or 0.1 above the normal. The highest mean was 54.9 at Blalock, Gilliam county; lowest, 41.8, at Joseph, Wallowa county. The maximum temperature for the year was 107, at McKenzie Bridge, Lane county, and Buckhorn Farm, Josephine county, on August 6th, and at Blalock, Gilliam county, August 7. The minimum temperature for the year was 27 below zero, at Pine, Baker county, on January 29th.

Precipitation.

The average for the year was 49.05 inches, or 6.91 inches above the mean annual rainfall of the state. The greatest amount at any station for the year was 147.48 inches, at Glencora, Tillamook county, and the least was 8.63 inches, at Umatilla, Umatilla county. The greatest amount in any one month was 31.54 inches, at Glencora, Tillamook county, in November, and the least was none at a number of stations in the Willamette valley, the Columbia River valley, Southern Oregon and the Plateau district during the months of June, July, August and September.

Muslin Underwear

We have added another line to our business.

Muslin Underwear is a side line with us and we are satisfied if we make but a trifle for profit. For this reason we will sell at lower prices than others.

Bear in mind that although this is a side line with us, we handle a complete assortment. Get our prices.

Shot Deer Out of Season.

Walla Walla, Feb. 7.—A. J. Barnes, a lad of 19 years, was fined \$10 and costs yesterday by Justice Huffman for the unlawful shooting of a deer. Barnes lives near Dixie, in this county, and on Tuesday he shot a fine deer, which had left the heavy timber and was browsing near the Barnes farm. A local sportsman had the lad arrested and the fine was made light on account of his age.

County Game Warden Morse has sworn out several warrants for the unlawful killing of game, and trouble is in store for a number of reckless sportsmen. Most of these men live near Dixie where game is plentiful at some seasons of the year.
