IRRIGATION PAYS.

One of the Pioneers in Operation Successful Sys-

Mr. Cole, who has a ranch on the fork of Cold Spring canals north of Pendleton, was

today. He has 320 acres which he has for the past 25 years. From two years ago he sold 9233 bushels of wheat. He has put in irrigation system of irrigator which is very successful. So far 19 acres under complete irrigation plans to extend the irrigation system. He has a double ac-cumulated pump, which is driven by gas power and pumps 100 gallons a minute. By the use of 2500 feet of gas pipe and 500 feet of water he irrigated his garden and

to selling considerable quantities and raising 40 tons of alfalfa he sold over \$200 worth to neighboring ranchers. He has water at 25 cents for 600 gal-lons. The combined cost of drilling and of the pump, pipe, and motor about \$1000. It will pay for itself in two seasons. Alfalfa might be used with equal benefit by other farmers: A great deal of sandy soil will produce alfalfa if water is present for irrigation pur-poses.

DEBATE AT THE ACADEMY.

After the Labor Question in favor of the Unions. The debate at the Pendleton academy yesterday evening was a highly interesting contest. The question was, "Resolved, that labor is productive of more evil than good to laborers." The students taking the affirmative were Earl Yates, Grace Crockett

GRAIN-O

THE PURE GRAIN COFFEE

Comparing Grain-O and coffee remember that while the taste is the same Grain-O gives health and strength while coffee shatters the nervous system and breeds disease of the digestive organs. Thinking of your health, try Grain-O and its ben-efits.
