## UNDER THE STARS AND STRIPES

### FILIPINO GIRLS SOLD INTO INFAMOUS SLAVERY.

American Human Vultures at Manila Make a Business of Buying and Selling Girls in the Provinces.

Manila, Feb. 11.—Two girls have been sold into slavery by Gregoria Torres, both bringing 250 pesos (\$125). The 13th amendment to the constitution of the United States prohibits slavery, but the flag continues to float over slavery in these islands. Girls can be bought in the provinces for insignificant sums, especially if the parents are in debt. A number of human vultures at Manila make a business of buying and selling these girls.

### PRINCESS LOUISE

Telegraphed Giron to Come and Get Her Out of the Sanitarium.

Vienna, Feb. 11.—In an interview with Giron, printed here, Crown Princess Louise's lover is quoted as saying that the princess telegraphed him to come to Geneva and remove her from the sanitarium. "That she was unable to live without him." He adds that nothing will part him from the princess again.

### Returns to Geneva.

Geneva, Feb. 11.—Giron arrived here today accompanied by Grand Duke Leopold, Louise's brother. The princess, it is announced, will resume her life with Giron.

### Divorce Granted.

Dresden, Feb. 11.—It was announced today that the Saxon court has granted a divorce to the crown prince whose wife fled with Giron.

### INVESTMENT CONCERNS.

Refuse to Pay the Investors Their Money—Some Pay Dividends.

St. Louis, Feb. 11.—Thousands of investors, a large proportion of them women, surged about the turf investment concerns this morning trying to withdraw their money. At the offices of the E. J. Arnold Co., which suspended payment several days ago, applicants were told that no money would be paid today. Other concerns paid dividends but demanded 20 days' notice for the withdrawal of the principal.

### Eight-Hour Day for Carpenters.

The Dalles, Feb. 11.—At the meeting of local union No. 1219, Carpenters and Joiners of America, a resolution was passed that on and after April 1, 1903, eight hours should constitute a day's work, at a minimum wage of \$3 per day of eight hours.

## DALLES-CELILLO PORTAGE BILL PASSES LEGISLATURE

Carries an Appropriation of \$165,000 to Be Expended by the State Board.

ONLY AWAIT SIGNATURE OF GOVERNOR CHAMBERLAIN TO BECOME A LAW.

Salem, Feb. 11.—The Johnston portage railway bill passed the senate this morning and only awaits the governor's signature to become a law. The bill provides for a state portage railroad around the obstructions in the Columbia River between The Dalles and Celilo, and carries an appropriation of \$165,000 to be expended by the state board of portage railway managers, consisting of the governor, secretary of state and state treasurer, for that purpose.

The Portland Chamber of Commerce this morning sent the following message to the Pendleton Commercial Association:

Portland, Or., Feb. 11.—Pendleton Commercial Association:—Both houses of the Oregon legislature have passed the bill for a portage railway between The Dalles and Celilo. An open river is now assured. Accept congratulations.

ROBERT LIVINGSTON, President Portland Chamber of Commerce.

This means a saving of \$50,000 annually to Umatilla county in freight rates on wheat and wool.

It means the immediate reclamation of the arid land in the Inland Empire.

It means more to Eastern Oregon than any other measure passed at this or any previous session, except the Lewis and Clark fair appropriation.

The city of Pendleton, the people of Umatilla county and of Eastern Oregon are rewarded for their years of labor in the effort to wring from the legislature or congress the blessings of river transportation.

The universal plaudits of a grateful people are heralded across the Cascades for this answer to their request.

Salem, Or., Feb. 10.—(Special Correspondence.)—The senate committee on judiciary, to whom was referred senate bill No. 115, a bill for an act to declare the Associated Press and similar organizations common carriers, will, at the request of Senator Pierce, report it back with the recommendation that all of it except the enacting clause be stricken out, and a new bill be substituted.

The title of the bill is as follows: A bill for an act to prohibit extortion and discrimination in the transmission of telegraphic dispatches, and prohibit discrimination in delivering and selling the world's news and distribution thereof, and providing penalties for discrimination between patrons of associated news clubs, associations and corporations engaged in gathering and distributing the world's news. Section 1 defines the organizations subject to the regulations of the act. Section 2 makes it unlawful for any such organization to refuse to sell or deliver news to the proprietor of any newspaper published in Oregon. Section 3 prohibits the withholding of any news or the delaying of the delivery thereof to any newspaper at the same time and in the same manner as such news is delivered to any other newspaper within the state of Oregon. Section 4 prohibits discrimination as to price or terms, time or manner of delivery or the amount or nature of news. Section 5 provides a fine of from \$100 to \$2,000 for the infraction of the above provisions. Section 6 reads as follows: Every telegraph company, associated news clubs, association or corporation engaged in the transmission, collection, distribution or publication of messages or news, shall afford the same and equal facilities to all publishers of newspapers, and furnish the dispatches collected and transmitted for publication in any given locality to all newspapers there published on the same conditions as to payment and delivery.

Section 7 provides that the proprietor of any newspaper injured by the refusal of any of the above named organizations to comply with the regulations of this act, may recover damages in a sum not to exceed \$5,000 to be recovered in an action at law.

A law similar to this has been upheld by the supreme court of Nebraska.

Senator Pierce is very confident

## PICKETS ARE LEGAL.

Judge Gaynor Declares That the Laws Give Equal Right to Capital and Labor.

New York, Feb. 11.—Judge Gaynor, in charging the jury sitting in the case of a union labor picket on the charge of being a nuisance has declared pickets not a nuisance. The court said:

"The streets are for the use of all people. This man had a right to be a union labor picket under the law. If the capital of this country has a right to organize, so has labor."

## ELEVATOR STRIKE IS ENDED

THE BUILDING MANAGERS SUBMIT TO ARBITRATION.

A Threat to Extend the Strike to Every Office Building in the City, Caused an Agreement.

Chicago, Feb. 11.—The strike in the downtown office buildings came to an end this morning and thousands of persons who were compelled to climb as high as 15 flights of stairs for the past week were enabled to ride up in elevators.

Coal is also being delivered and the electric light current from the power houses is turned on.

A threat to extend the strike to every office building in the city is given as a cause for the building managers' agreement to submit their grievances with their men to arbitration.

## THE ANTHRACITE HEARING.

Lehigh Valley Attorney Thinks a Ten Per Cent Increase Would Be Money Well Spent.

Philadelphia, Feb. 11.—In his argument before the coal strike commission today Attorney Gowen, representing the Lehigh Valley company, said:

"I am sure I speak for all the operators when I say that if they could get a full supply of coal for a premium equal to 10 per cent accorded to the diligent miner, it would be money well spent."

## MINERS ENTOMBED.

Fire in Oil House Cuts Off Escape of Eleven Miners.

Duluth, Minn., Feb. 11.—Eleven miners are entombed in the Spruce mine of the United States Steel corporation, on the Mesaba range. The fire broke out this morning in the oil house on the second level and gained so rapidly that the miners could not escape. There is little hope that they can be saved from suffocation.
