Hall's Family Pills are the best.

They Like Oregon Apples.

There is every prospect of an increase in the export apple trade to the Orient from Oregon. The Davidson Fruit Association of Hood River, is now making sample shipments to Yokohama, Kobe and Hong Kong. Next year it expects to do a big business with these ports. The patronage comes principally from Europeans and the better class of Japs. The big red apples of Oregon are especial favorites, particularly the Ben Davis variety. These bring, so long as they present a good appearance, from \$2.50 to \$3.50 per box, in gold.—Portland Journal.

If you are troubled with impure blood, indicated by sores, pimples, headache, etc., we would recommend Acker's Blood Elixir, which we sell under positive guarantee. It will cure scrofulous or syphilitic poisons and all blood diseases. 50 cents and \$1.00. F. W. Schmidt & Co., druggists.

RIDGE AND VICINITY

GURDANE SCHOOLS CLOSE BECAUSE OF CONTAGION.

Thomas McEwen, the Stage Driver, on the Sick List—Personal Notes—Surprise Dance Last Friday at George Linsner's.

Ridge, Feb. 9.—Postmaster James Markham and Professor A. M. Crozier of Gurdane, were visitors in this vicinity Friday. Mr. Markham says his son, Roy, has the scarlet fever, as has also James L. Hall's family, but they are all getting along nicely thus far. He says school has been closed all week on account of said disease.

M. E. Sturdavant and Charles Vinson, of Ukiah, have driven stage most of the week between Ukiah and Nye. Thomas McEwen, the driver, is on the sick list and has quit driving.

The infant son of Mr. and Mrs. M. E. Fletcher is sick. Teething is supposed to be the cause.

The stage stayed over Friday night at Ridge, as a result of the blizzard, no serious harm is as yet reported from it.

Mrs. P. E. Fletcher, who has until lately been spending the winter in Pendleton, came home this week.

Mr. and Mrs. T. J. Simonton were visitors in Gurdane vicinity the first of the week.

B. F. and Thomas Ogle sold their wheat at a fair price last week.

Herbert Thompson, of Alba, was in Pendleton visiting and on business, this week.

J. M. Roberson was in Pilot Rock on business this week.

Miss Mamie Hinkle was visiting in Vinson vicinity this week.

Ed Kramer, of Vinson, was a visitor in this vicinity this week.

Jesse Payne, a nephew of Mrs. J. A. Owings, is spending the winter with the Owings family. He balls from Portland and thinks this is a far better climate and country.

There was a surprise ball at the home of George W. Linsner last Friday night. It was largely attended. Music was furnished by William Jones, of Gurdane, and everyone had a nice time.

Peter Viebrock, of Combs Canyon, was a visitor in this locality last week. Mr. Viebrock is a member of the Alba Sawmill Company. He spoke of having already purchased a quantity of hay for his cattle.

Ridge Weather.

Weather in this part has been quite changeable for the past few days. We had a snowfall of about four inches at first, then it began to turn cold and reached the limit of 16 above zero Thursday night. Friday night about midnight the wind got gay and by 10 a. m. Saturday it had turned to a blizzard, or snow-stacker, which raged till about 3 p. m. Today it is about 48 with a tendency to rise higher. The snow is about gone except drifts and it is thawing nicely.

RED POLLED CATTLE.

S. B. Neil, of Camas Prairie, Well Pleased With That Breed.

S. B. Neil, of Camas Prairie, was in town yesterday. He reports one foot of snow as yet in the valley, and two feet in the timber. Most of the cattle are looking well but some have fed so closely that not all the cattle are in good flesh. There is not a trace of disease among any of the stock.

Mr. Neil milks 20 cows during the dairy season, and regards the Short-horns as the best all-round dairy cow—for milk, butter and beef. However, he thinks highly of the Red Polled stock, and with his brother-in-law, R. L. Oliver, owns a Red Polled bull, which they purchased in Spokane in the fall of '99. He is said to be the only animal of his breeding anywhere in the Northwest. Messrs. Neil and Oliver are very well satisfied with the experiment, for they regard it as such of bringing in the Red Polled bull, in spite of Mr. Neil's unqualified indorsement of the Short-horn as the best all-purpose stock. The Red Polled crosses have proven themselves to

be in one respect the very best cattle Messrs. Neil and Oliver have handled, and that is as regards rustling qualities. Mr. Neil states positively that given exactly the same opportunities the Red Polled calves keep in better condition when "rustling" than the calves of any other breed he knows anything about of the same age. He admits that the Red Polled is an experiment, but claims that so far it has proven a valuable one.

Catarrh and Hay Fever.

Liquid Cream Balm is becoming quite as popular in many localities as Ely's Cream Balm solid. It is prepared for use in atomizers, and is highly prized by those who have been accustomed to call upon physicians for such treatment. Many physicians are using and prescribing it. All the medicinal properties of the celebrated Cream Balm are contained in the liquid form, which is 75 cents, including a spraying tube. All druggists, or by mail, Ely Brothers, 56 Warren street, New York.

Old Papers.

Nearly Forfeits His Life.

A runaway almost ending fatally started a horrible ulcer on the leg of J. B. Orner, Franklin Grove, Ill. For four years it defied all doctors and all remedies. But Bucklen's Arnica Salve had no trouble to cure him. Equally good for burns, bruises, skin eruptions and piles. 25 cents at Tallman & Co's drug store.
