GOLCONDA ORE.

The strike made on the Three
hundred Foot Level.
The mine will be interested to know
the result of the richest strikes ever
made in the Golconda mine near
Pendleton, was uncovered Wednesday
morning.

The mine is four to five feet
thick and is what is known as the
"blue vein" in the mine. The entire
mine is a sulphide ore and assays
from \$100 to \$160 per ton.
The company has shipped ore dur-
ing the past week that averaged \$83
per ton. One shipment of 40 tons re-
sulted in \$3200.
The Golconda is fast developing
one of the best paying properties
in the Sumpter district and this phe-
nomenal strike is not a surprise to
those who are thoroughly acquainted
with the mine.

"The Kitties" Pass Through.
The Kitties, a troupe of "Kitties"
from the coast, arrived on No. 5 this
morning and was attached to the Spe-
cial train to be set out at Walla
Walla. The company gives a perform-
ance that city tonight.

The coffee habit is quickly over-

Improved Machinery.
H. B. Nelson, the manager of the
Weston brick yard, will return about
the 20th from an extended tour of the
east and middle west, where he went
to inspect the most modern processes
for making brick. He invested in im-
proved machinery, among which is a
pressing machine, which will be put on
duty as soon as the wards are opened.
It is expected the product of the yards
after the installation of this machine
will equal the production of the Seat-
tle manufactory. The Weston yards
will be opened earlier than usual this
season in expectation and readiness
for a largely increased output the com-
ing season. The intention is to have
50 men employed in the yards the com-
ing season and to turn out 6,000,000
brick.

Familiar With Proceedings.
The conclusion of Judge Fitz Gerald
and the other members of the court,
which declared Mrs. Ida Poole insane,
is that she has certainly been in courts
before on a similar charge. She
seemed familiar with the routine ques-
tions asked and showed no nervous-
ness or unfamiliarity with any of the
proceedings, or on account of the pre-
sence of the officers. It is stated that
the railway company refused to fur-
nish her transportation after she fled
from the poor county farm the other
night, because her derangement ren-
dered it unwise for the company to as-
sume the responsibility for her trans-
portation. It is also said that the com-
pany will furnish her transportation to
Lincoln, Neb., at any time she is in
a mental condition to travel by rail.

Valentine Ball.
The Protection Hose Company, the
oldest hose company in Pendleton, will
give its annual valentine ball Friday
evening, February 13, which will be a
very enjoyable affair, as special efforts
have been put forth to make it a suc-
cess. The committee on arrangement
is composed of J. L. Sharron, F. F.
Wamsley and C. J. Greulich, which is
a guarantee that everything will be
first class and all will have a good
time. Kirkman's orchestra will fur-
nish the music.

Declared Insane.
Yesterday afternoon Mrs. Ida Poole,
the demented woman, was declared in-
sane in a court held by Judge Fitz
Gerald in the absence of County Judge
Hartman. Today she was taken to
Salem by Deputy Sheriff Davis, who
was accompanied by his wife.

Dime Social.
The "Reds" of the Christian Sunday
school will entertain the "Blues" and
their other friends in the lecture room
of the church Friday evening, from 8
o'clock to 10:30. Refreshments will be
served and a pleasant time is antici-
pated.

Licensed to Wed.
A license to wed was issued today
to George A. Hart and Verda V. Stew-
art, of Umatilla county.—Walla Walla
Union.

The Boast of an Expert.
"This, ladies and gentlemen, is the
celebrated trick mule, Dot," said the
clown as the animal was led into the
ring. "After many years of effort I
am able to say I can make him do any-
thing he wants to."
