There was reported to have been something over 150 head and all were looking fine. There is yet between 40 and 50 beef cattle being fed in this locality of which H. W. Whitaker has about 40 and A. ### Snow Disappearing.

We are having about the same weather as usual, our Chinook took a lay-off and the thermometer has ranged from 19 to 34 above zero. It has been quite chilly and cold, with different cool winds. There was two feet of snow on the mountains before the chinook, and I suppose there must be at least a foot now. It is snowing some this evening, but does not seem to amount to much.

eggs is permitted on all days of Lent at the evening collation, and the principal meals on those days on which the use of flesh meat is forbidden.

"3. In the morning a small piece of bread is allowed with a cup of coffee, tea, chocolate or some similar drink.

"4. When the principal meal cannot be taken before noon, the order may be inverted and the collation taken in the morning and the dinner in the evening.

"5. Lard and grease may be used in preparing the lawful victuals.

"6. Those of the faith who are exempt from the obligations of fasting can, on the days when the use of flesh meat is permitted to all the faithful, be allowed to use it several times a day, as on the Sundays of Lent, when the obligation is not binding. The use of both flesh meat and fish together at the same meal is strictly forbidden during the whole of Lent.

"The following persons are exempt from fasting: All those who have not attained their 21st year or who have passed their 60th year; those whose weak health or condition otherwise may demand the full amount of nourishment, and all those whose occupations are of a laborious and exhausting nature.

"Those who are excused from fasting on account of age or hard labor may use flesh meat more than once on the days on which it is allowed.

"By an indult of Our Holy Father, Pius IX, the soldiers and seamen in the United States service have only six days of abstinence during the year, namely: Ash Wednesday, the last three days of the Holy Week, the vigil of the Assumption of the Blessed Virgin Mary, the vigil of Christmas. This dispensation does not exempt from the law of fasting.

"By another indult of the 15th of March, 1895, the Holy See has given us, 19 years to the bishops of the United States the faculty of dispensation in favor of the working people from the law of abstinence on certain days.

"By virtue of this indult and dispensation of Lent, working people are permitted to use flesh meat once a day on all fast and abstinence days of the year, except Fridays, Ash Wednesday, Wednesday and Saturday in Holy Week, and the vigil of Christmas.

"The above dispensation is granted not only to workmen and women, but also to their entire families."—A. Christie, Archbishop for Oregon.
