IN POLICE COURT.

Walsmith Fined \$10 and Costs for Assaulting Rahe—Bushee Also Fined—Three Indians Up for Being Drunk.

M. Walsmith was today fined by Judge Fitz Gerald \$10 and costs for assault and battery on Floyd Rahe. Walsmith paid up and was discharged. The origin of the row is a little obscure, but it is known that a girl was casus belli. Walsmith hardly sustained the claim he made that he punched Rahe because the latter insulted the girl.

A fight between Glen Bushee and E. R. Ferguson resulted in Bushee being fined \$10 and costs, which he paid and was discharged. Ferguson was marked up some as a result of the encounter.

Three Indians, James White, John Indian and Abram Lyman, were each found guilty of being drunk and disorderly. The two first named each forfeited a deposit of \$5 for their appearance in police court this morning. Lyman preferred paying a fine to laying in jail, but being an old offender the judge thought the best deterrent for him would be to give him what he didn't want, and so he will languish in the "skookoo house" for five days.

PEOPLES' WAREHOUSE.

Work of Remodeling the interior of the Building Begun This Morning.

Today the work of remodeling the interior of the Peoples' Warehouse began. The changes which will be made in the arrangement will be quite extensive, and include putting the cloak department in the room on the north, now occupied by the shoe department. The shoe department will be greatly enlarged and will occupy the greater part of the eastern end or side of the entire interior. It will moreover be a double decker, extending from floor to ceiling, and equipped with three traveling ladders. Mr. Cohen's office after these changes are made, will be on the first floor, in the rear, and adjacent to the shoe department, and the cashier will have quarters adjoining his. Several, it is not yet determined just how many, automatic cash lines will be put in as soon as the carpentering has reached the stage necessary for their hanging.

WANTED FOR FORGERY.

Two Men Lodged in Jail to Await the Sheriff From Baker County.

Sheriff Taylor last evening arrested two men who gave the names of Ernest Green and George Leonard respectively, on description furnished him from Huntington, of men wanted there on the charge of forgery. They are apparently about 30 years of age and have very lately shaved smooth, whereas, both, according to the descriptions, had either beards or mustaches. They were first recognized by Marshal Blakely. Both were lodged in jail to await the coming of the sheriff or other authority from Huntington, who are expected to arrive this evening.

Disappointed Veteran.

This is a letter that came to the pension bureau from a veteran who is evidently somewhat of a fatalist: "I Always Been a Publican Party. I Always Satisfied with it. I Been turned Down by it. I Read my Bible. I find from it hel is doomed. I am also doomed. I spous I must go to the Boanard. I Must Cloas."—Kansas City Journal.

Varied Knowledge.

Mamma asked Nellie what she had learned in Sunday school and she replied: "That I must sell three tickets for the concert next week; give 25 cents for the superintendent's present, and that Noah built the ark."—The Little Chronicle.
