SENATOR PIERGE INTERVIEWED

Gives a Resume of Some of the Bills Passed by the Last Legislature.

SPEAKS OF MEASURES OF BENEFIT TO UMATILLA.

Dailes-Celilo Portage Road Will Cut Freight Rates in Two-New School Law Gives \$1.50 Extra to Every Pupil in This County Which Means Another Month of School.

jury. There being eight individual er concerning the results of the la-peremptory challenges are allowed was asked what, in his could be concerning the results of the lages for cause. States Attorney Din-een will take active charge of the ty and adjoining counties. Senator

"One of the most important measures must be conceded to be the pas-sage of the Celilo portage bill, which Hamilton, Ont., Feb. 25.-The win appropriates \$165,000 for the portage ter race meeting, for which prepara railway. It is hoped and expected tions have been in progress for sev- that it will reduce freight charges on of the meeting and among the winners this country from the west, and it is expected to reduce freight charges generally about one-third. The tention of the promoters of the scheme is to have the portage completed in time for it to be used in the transportation of the next crop. Some think the portage will injure The Dalles by building up a rival town farther up the river. On the other hand, it is conceded by everybody who has studied the question closely, and by The Dalles people Penitentiary a Number of Years themselves, that the railway will actually be the making of that placeit will lead to an influx of both peo-Knapp, of Hamilton, O., was arrested ple and capital to that point. Inheritance Tax Bill.

"The inheritance tax bill. which was passed, was introduced by Representative Blakley. It was indorsed Fe wage dispute is looking rather lieved him very honorable the police gation before its introduction and unfavorable today. More conferences say he was sentenced a number of was supported by them as a unit by the entire Umatilia county delehave been held, but the only development is a more persistent unwillingary for a criminal assault. He served final passage. I say the bill passed was our measure; it is such in effect, although, as passed, the bill differs slightly from the original, but not enough to vitiate its purpose at all Raiph Waldo Emerson, the Last It was only slightly modified. It will Weds a Daughter of Prominent tax all inherited estates that assess more than \$10,000, by a sliding scale of from 6 to 1 per cent. It is expected that this law will raise \$100,-000 per annum for the support of the state government

"The corporation license tax law was another measure that met with the unanimous indorsement of the Umatilla county delegation. It is an occupation tax pure and simple, on contribute about \$150,000 to the state's exchequer per year.

the Decoration day regatta of the pected that enough income to the state will be realized in two years' time to defray the expense of the Lewis and Clark Exposition."

"The provisions of the school bill introduced by you and which passed, and which is understood to been your personal measure are are Kansas City, Feb. 25.—The im not generally understood. What will mense Santa Fe freight house, with the law as passed accomplish? In the old law?"

New School Law

"The new law will give directly to each child of school age \$6 per capita, besides about \$2 which will be derived from an irreducable school fund. The total fund for school purposes that will be raised thus being about \$8 per capita for the school means \$1.50 more for each child of Simultaneously the Wo tofore, and another month of school each year. It is really the most revo-
