Positive Proof of Pinkham Cures

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of woman-kind is not because it is a stimulant,—not because it is a palliative, but simply because it is the most wonderful tonic and reconstructer ever discovered to act directly upon the whole uterine system, positively curing disease and restoring health and vigor.

Marvelous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures, and physicians who have recognized the virtue in Lydia E. Pinkham's Vegetable Compound and are fair enough to give credit where it is due.

One of Many Women Cured by Lydia E. Pinkham's Vegetable Compound, Without Submitting to an Operation, Writes:—

"DEAR MRS. PINKHAM:—I was a great sufferer for three years, had some of the leading physicians, and they all said nothing but an operation would cure me, but to that I would not submit. I picked up a paper and saw your advertisement and made up my mind to try your medicine. I had falling and inflammation of the womb and a flow of whites all the time, pains across small of back, severe headache, did not know what it was to be without a pain or an ache until I used your medicine. After three months' use of it, I felt like a new woman. I still sound the praise of Lydia E. Pinkham's Vegetable Compound."—Mrs. Wm. A. Cowan, 1804 Bainbridge St., Philadelphia, Pa.

A Graduate Nurse, Convinced by Cures, Endorses Lydia E. Pinkham's Vegetable Compound. She Writes:—

"DEAR MRS. PINKHAM:—Ministering to the sick I have had numerous chances to compare Lydia E. Pinkham's Vegetable Compound with other medicines in cases of diseases of women, and the number of cures recorded where your medicine was used convinced me that it is the safest and surest medicine for a sick woman. Doctors certainly must know the value of Lydia E. Pinkham's Vegetable Compound. I am convinced that you deserve the splendid record you have made.—Yours very truly, Mrs. Catherine Jackson, 769 Beaubien St., Detroit, Mich." (Graduate Nurse and President Detroit Emergency Association.)

Many Physicians Admit that no Medicine Known to the Profession Equals Lydia E. Pinkham's Compound for the Cure of Woman's Ills, and We are Permitted to Publish the Following:—

"DEAR MRS. PINKHAM:—It gives me great pleasure to state that I have found Lydia E. Pinkham's Vegetable Compound very efficacious, and have often prescribed it for female difficulties. My oldest daughter found it very beneficial for uterine trouble some two years ago, and my youngest daughter is using it for female weakness, and as a tonic, and is slowly but surely gaining strength and health. I freely advocate it as a most reliable specific in all disorders which women are subject to, and give it honest endorsement.—Yours very truly, Sarah C. Brigham, M.D., 4 Brigham Park, Fitchburg, Mass."

If physicians dared to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female ill, as they know by experience that it can be relied upon to effect a cure. Women who are troubled with painful or irregular menstruation, backache, bloating (or flatulence), leucorrhoea, falling, inflammation or ulceration of the uterus, ovarian troubles, that "bearing-down" feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham, Lynn, Mass., for further free advice. No living person has had such a vast and successful experience in treating female ill. She has guided thousands to health. Every suffering woman should ask for and follow her advice.

the city yesterday and will report for duty at the penitentiary tomorrow to familiarize himself with his new duties.

Mr. Thornton, the retiring engineer, has filled the position several months, succeeding Engineer Geizentanner, who left several months ago to accept an Eastern position of trust.

Mr. Tuttle is an old Walla Walla resident, at one time having charge of the Walla Walla electric lighting system. He has been a resident of Ritzville a few years, following his occupation as engineer and electrical expert. He is a competent man and has many friends in Eastern Washington to wish him well in the new position.

"Magda."

Local amusement seekers will be pleased to learn that Florence Roberts, the favorite emotional actress is to pay us another visit, and that this time she will appear in a new role, which is said to be the greatest triumph of her career. It is only recently that she has essayed the part of the celebrated Soudermann heroine but already it has been commented upon all over the country, as any fresh attempt to succeed in this role is watched with interest, as it has been attempted by many stars, who have found failure their only reward for their ambition. Florence Roberts will appear in "Magda" at the Frazer on Tuesday, March 3.

Subbubs—We've got a new girl at our house. Backlotz—Hah! It's easy enough to get a new girl, but can you keep her? Subbubs—The doctor thinks so. He declares she weighs nine pounds, at least.—Philadelphia Press.

MISS MONIE BOWEY,

No. 38 Perry Street, DETROIT, MICHIGAN.

A couple of winters ago I slipped on a frozen sidewalk and fell flat on my back. On being examined I found that I had sustained internal injuries which laid me up for more than two months. After that I noticed that I had pains in the back and groin which I never had before. I doctored and doctored for several months but as the pains increased instead of growing better I decided that I was not having the right treatment. Reading in the papers of the wonderful cures performed by Wine of Cardui I wrote to one of the parties and received a very satisfactory reply and I immediately sent for some. In a very short time I felt generally better and after seven weeks faithful use I was once more well and strong. I have never had a sick hour since and I daily bless your splendid medicine.

MONIE BOWEY.

WINE OF CARDUI is one medicine that should always be kept on hand in every home for immediate use when female weakness first makes its appearance. Miss Bowey's painful and dangerous accident would not have resulted so seriously had she taken Wine of Cardui promptly.

Wine of Cardui makes women more womanly by curing their weakness and making them stronger. Wine of Cardui cured Miss Bowey. As a medicine for all women in every trying period of their lives can you think of a better medicine for yourself, your sister, your daughter or your mother? If your daughter, mother, sister or friend is sick and in need of relief, your duty is equally great to them. Many women, now well, owe their lives to friends who brought them Wine of Cardui.

Wine of Cardui is adapted to women at any age in any walk of life. For the working woman it gives her strength for her tasks and better treatment than a doctor for very small cost.

Your druggist will sell you a \$1.00 bottle of Wine of Cardui. Secure the medicine today. Take it in the privacy of your home. Relief will come to you as surely as you take it.

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.
