CALEDONIAN PICNIC.

Place to Be Determined, Though Athena is Favored.

The Umatilla County Caledonian Society met on Saturday evening pursuant to a call of President A. M. Gillis, for the purpose of electing officers for the ensuing year, and transaction of such other business proper to come before the society.

It was decided by unanimous vote of the members present to hold a two days' picnic the latter part of May, the place to be determined later, however, those voicing their sentiments were favorable to Athena, and it will depend largely on the support tendered by the citizens of the town as to whether Athena secures the picnic or not. No pains or expense will be spared to make it a "howling" success.

Officers were elected as follows: President, A. B. McEwen; vice-presidents, Alex McRae, Pendleton; John McEwen, Milton; Horace Walker, Helix; Robert Jamieson, Weston; Malcolm McIntyre, Adams; treasurer, Charles McYean; secretary, A. W. Botkin.

The next meeting will be held at the town hall on Saturday evening, March 14. All members of the society and Scotchmen are requested to be present.—Athena Press.

WANTS A LECTURE.

Pilot Rock Needs a Few Pointers on Health.

It might be a good idea for the people of Pilot Rock to make arrangements for a lecture in this city by Dr. W. G. Cole, of Pendleton, who talked so sensibly to the people of that city along the line of sanitary regulations as a preservation of health. It was a timely talk. At this season of the year it is most important that all should engage in a general cleaning up of their back yards as well as the interior of their homes.

A Pendleton paper in commenting on the doctor's lecture, lamented the fact that those who would have been most benefited by the advice contained therein, were not present, the lecture being attended only by the "better element" of society. Evidently the editor of the paper in question must have been unavoidably absent. The better class of society are usually able to buy perfume, which affects agreeably the organs of smelling, hence it does not make much difference whether they wash their feet or not.—Pilot Rock Record.

SUNDAY AT THE CHURCHES.

vices for the children, conducted by Rev. Wilson and Professor Davis will sing. Each child attending this afternoon meeting is asked to bring a string as along as he or she is tall. Professor Davis will conduct a song service at 7:30 p. m., which will be followed by a sermon by Mr. Wilson on "Faith; What it is and How to Get It."

To Spend $6,000,000.

Detroit, Mich., March 6.—The new board of directors of the Pere Marquette road, it is learned, have authorized the expenditure of $6,000,000 for new equipment for the system. This includes an order for 5,000 new freight cars to be delivered in May, also an order for 50 new locomotives to be constructed by the American Locomotive Company and delivered during the present year. Instead of two new car ferry boats to operate on Lake Michigan, the company will add four to its present equipment, three of which are to be built in this city and one in England by the Armstrongs.

Ohio Colleges in Debate.

Columbus, O., March 6.—The chosen representatives of Ohio Wesleyan University and Ohio State University meet in debate at the last named institution tonight and the contest promises to be the event of the college year. The question selected for debate is: "Resolved, that the concentration of municipal administrative power in the mayor is preferable to its distribution among elective boards or officers." The Ohio state team is composed of Ernest S. Dillin, Stanley F. Rankin and George P. Hahn. The visiting debaters are D. F. Edwards, W. M. Whitney and E. L. Skeel.

Editorials Must be Signed.

Helena, Mont., March 6.—The house of representatives tonight passed a bill providing that each newspaper shall once a month print on the first page a statement setting forth the ownership of the paper and that each editorial shall be signed by the editor or writer of the article. The bill was introduced by John MacGinnis, vice-president of the Montana Ore Purchasing company.

A Kindergarten Convention.

Fort Worth, Texas, March 6.—A state convention of kindergarten teachers, primary teachers and Sunday school workers, the first gathering of its kind to be held in Texas, opened here today under favorable auspices. A two-days' program will be carried out, the features including papers and discussions treating of all phases of kindergarten and primary instruction.
