SOCIALIST LEAGUE

IS ORGANIZED BY EASTERN OREGON MEMBERS.

Object is to Encourage a United Effort on the Part of Socialists in a Propaganda Effort—To Hold a Big Summer School.

As a result of correspondence between members of the Pendleton Socialist club and prominent workers of that party in adjoining counties, an Eastern Oregon Socialist League has been formed.

The membership of this League is composed principally of those who are not able to attend regularly the local clubs. There are many socialists scattered over the eastern part of Oregon on farms and in little towns and it is the intention of the league to get as many as possible of these isolated members into that organization.

The object of the league as set forth in its constitution is to encourage a united effort on the part of the socialists of Eastern Oregon in propaganda work. "Co-operation for the good of the cause" is the motto of the league.

It is the intention of the members as soon as a sufficient fund is procured, to place an organizer in the field, who will hold meetings, form locals and distribute socialist literature.

A camp meeting or summer school will be held some time during the summer, lasting several days at some central point, probably La Grande, and a prominent speaker will be engaged to conduct a school of socialism.

The movement has just been started, but already numbers many workers in Umatilla, Walla, Union and Morrow counties, and bids fair to have a membership of several hundred. Walter A. Wyatt, of Pendleton, at one time connected with the Appeal to Reason, published at Girard, Kansas, is the secretary of the league.

PEOPLES WAREHOUSE.

Largest Awning Ever Placed in Pendleton Now Covers the Front of This Business House.

The largest awning ever put up in Pendleton, is the new one which now shades the front of the Peoples Warehouse. The awning extends the full length of the front of the store and is raised and lowered on a roller, which is operated by a crank and chain instead of the old rope plan. The canvas is water-proof and will afford protection from both sun and rain and is so arranged that when rolled up it is sheltered from the snow and wind.

The Peoples Warehouse is undergoing extensive improvements throughout the interior and when these are completed it will present one of the most attractive appearances and be one of the most modern stores in Eastern Oregon.

SHEEPMEN WON.

Grazing on Utah Forest Reserve Sustained by High Court.

Salt Lake, March 10.—Judge Marshall, of the United States district court, has sustained the demurrer of the defendant in the case of the United States against Frank Martinus, who was charged with running a band of 2000 sheep on the Fish Lake Forest Reserve, in violation of the rules formulated for the protection of forest reserves by the secretary of the interior. Judge Marshall states that congress has exceeded its legislative power in empowering the secretary of the interior to make the violation of which would be a criminal act, and held that the law was unconstitutional. The decision is regarded as one of the greatest importance to Utah sheepmen. A number of pending similar cases will be thrown out of court. The effect of Judge Marshall's decision will be to open more than 1,000,000 acres of the choicest grazing land in the state, which for the past few years has been carefully protected by the government. As soon as the situation becomes known, it is believed that hundreds of thousands of sheep

PROMINENT STOCKMAN DEAD.

John Powell, of Baker County, Succumbs to Blood Poisoning.

John Powell, of Unity, died yesterday morning at 10 o'clock at St. Elizabeth's hospital, of blood poisoning, says Monday's Democrat. He was 69 years of age and is survived by a wife and three small children, two girls and a boy, the oldest being only eight years old.

Mr. Powell was one of the best known pioneers of this county and previous to his marriage about 10 years ago he was known far and wide as a successful trapper and hunter. He was also famous as a violin player and the music from his old-time fiddle has been the delight of thousands of frontier dancers.

About a decade ago the deceased inherited a considerable amount of money from the estate of a brother and since then he has devoted his time and attention to the raising of blooded stock. He was one of the most prominent and prosperous stockmen in that section.

OBJECTS TO TAXES.

Northern Pacific Railway Will Bring Suit at Olympia to Resist Payment.

Olympia, March 10.—The Northern Pacific railroad will bring suit at once in the courts here to resist the payment of about \$15,000 taxes on its main line in Thurston county. The equalization board raised the taxes on the main line of the road last summer and the company will contest the raise on the ground that it was not given the statutory 10 days' notice. Jay Sedgwick, tax commissioner for the Northern Pacific, was here this week, and paid \$3,000 in personal taxes of the road, and taxes on the Port Townsend & Southern, and declared that suit would begin at once to resist the taxes on the main line of the road.
