BRIGGSON ITEMS

MONROE HICKS HAS GONE TO CALIFORNIA FOR HEALTH.

Many Sick in the Neighborhood—Ruth Eckley Dies of Bronchitis—Jim Compton Sells Potatoes at Good Price—Charles Lehti Preparing to Clear Up Timber Land.

Briggson, Or., March 10.—Mr. and Mrs. John Blom, the aged couple who have been confined to their home for some time with the grip, are reported to be convalescent.

The warm, spring-like weather prevalent here for the past two weeks, took a decided change a few days ago and old winter gave us a reminder that it had not yet bid us adieu.

Sam Rose, who has been visiting relatives at Grangeville, Idaho, for the past two months, has returned home.

John Harkus has sold his bunch of cattle to Gus Stumbaugh, of Blingham.

Mrs. Albert Phelps, of Tillamook, who has been the guest of her sister, Mrs. James Navin, has gone to Portland where she will visit her aged father and friends before returning home.

Ruth, the infant daughter of Mr. and Mrs. Eckley, died last Friday from the effects of bronchitis, superinduced by measles. Ruth was a very sweet child, and their many friends sympathize with them in their sad bereavement.

Miss Bessie Navin, who has been sick with measles, is reported to be fully recovered.

Mark Cargill is visiting relatives and friends on McKay Creek.

Mrs. Maud Stanfield, of Adams, is in Walla Walla, being treated for her eyes.

Thomas Harkans, of Briggson, has been quite at the home of his sister, Mrs. Isaac Hagen, near Pendleton.

Monroe Hicks suffered quite a severe illness from pneumonia the past two months and has now gone to California for the benefit of his health. Should the climate prove beneficial it is said Mr. Hicks contemplates disposing of his interests here and will take up his residence there in the near future.

Mr. Abrihamson returned last week from a visit to his daughter, Mrs. Fanning who has been quite sick at her home near Cold Springs.

Jim Compton took a load of potatoes to Pendleton last week and found quite ready sale for them at 65 cents per sack.

Lainrdl cents per sack, which is a good price for this time of year. It is feared they will be very scarce in this vicinity, as the greater portion of the crop was unharvested on account of winter setting in so early, and the damage by freezing is very great.

Mr. Gillis, of Athena, has purchased 400 acres of land from F. K. Davidson on Reed and Hawley mountain, and is having 300 cords of wood cut thereon. He will fence the entire piece in the spring.

Charles Lehti has bought a new stump-puller preparatory to clearing up a large acreage this spring.

Fred Rasenzweig, retiring grocer of Athena, has taken a homestead in Franklin county, and will move his family up by the 15th of April. His old friends and patrons wish his the greatest of success in his new vocation.

Lewis Christianson went to Pendleton on business last week.

Harvey Williams has moved with his family near Waterman station, where he has employment on the farm of Warren Raymond, for the ensuing year.

San Antonio, Texas, March 10.—Members of the Woodmen of the World have rounded up here from all over the state for the annual convention of the head camp. The prosperity of the order in Texas is manifested by the large and representative character of the attendance. The sessions are to continue several days and the business of the convention will be enlivened by various features of entertainment provided by the local branch of the order.
