Well Known Pendleton Man Tells
About Physical Torture.

The rack, the garrote and other
fiendish torturing machines of the
middle ages have gone, but physical
torture has not. A prominent Pen-
dleton citizen tells how he was tor-
tured and how he escaped.

D. W. Cook, 70 years old and retired
from active business, now living on
Main street, says: "The dull, dragging
pain in the small of my back felt as
if two giants were tearing me apart
and at times I felt so miserable that I
could not stand or walk and was
confined to my bed. Urinary weak-
ness set in, especially at night, and I
was falling physically every day. At
this time I happened to read an ad.
about Doan's Kidney Pills and was
much impressed with the sincerity of
the testimonial, which was much sim-
ilar to the one I am making now. I
got a box of pills at the Brock & Mc-
Comas Co. drug store and they help-
ed me so that I continued using them
until I had taken several boxes. Then I
could eat, sleep and get around
again without suffering the least bit
of physical pain. I endorse all of the
claims made for Doan's Kidney Pills."

For sale by all dealers. Price 50
cents per box. Foster-Milburn Co.,
Buffalo, N. Y., sole agents for the
United States. Remember the name—
DOAN'S—and take no other.

the testimonial, which was much sim-
ilar to the one I am making now. I
got a box of pills at the Brock & Mc-
Comas Co. drug store and they help-
ed me so that I continued using them
until I had taken several boxes. Then I
could eat, sleep and get around
again without suffering the least bit
of physical pain. I endorse all of the
claims made for Doan's Kidney Pills."

Well Known Pendleton Man Tells
About Physical Torture.

The rack, the garrote and other
fiendish torturing machines of the
middle ages have gone, but physical
torture has not. A prominent Pen-
dleton citizen tells how he was tor-
tured and how he escaped.

D. W. Cook, 70 years old and retired
from active business, now living on
Main street, says: "The dull, dragging
pain in the small of my back felt as
if two giants were tearing me apart
and at times I felt so miserable that I
could not stand or walk and was
confined to my bed. Urinary weak-
ness set in, especially at night, and I
was falling physically every day. At
this time I happened to read an ad.
