California Olive Oil

We have just received a fresh supply of California Olive Oil. We get this direct from the growers in Southern California. This Oil is absolutely pure. You can prove this to your own satisfaction if you will notice the very perceptible olive flavor. It tastes just as the olives do. It is impossible to counterfeit this flavor and it is not found in any oil which has been adulterated to any considerable extent, because cottonseed oil and other adulterants are practically tasteless.

75c PINT OR \$1.25 FULL QUART BOTTLES

Use Olive Oil for every kind of frying or wherever you use butter.

Most people, no doubt, consider Olive Oil too expensive for ordinary use, but it is not, as a quart of oil is equal to about two pounds of butter.

Should be pleased to show you our oil.

A NEW BAND LEADER.

Prof. Foster of Heppner, and One of Best Leaders on the Coast Will be Here Thursday.

Prof. A. C. Foster, of Heppner, Oregon, and for 18 years leader of the Illinois state band of 45 pieces, is to be the new leader of the Walla Walla Military band and will arrive in this city next Thursday night, says the Walla Walla Statesman. The management of the organization feels elated over securing the services of Prof. Foster, who is accounted one of the best leaders on the coast.

The band has added a number of new performers, James Maxwell, formerly melophone player with the 16th infantry arrived in the city last evening from Atlanta, Ga., and will be identified with the organization hereafter and with two alto players, a bass player and two clarinet performers coming, the band will rank with any in the state. Among new instruments to be ordered is a full set of telephones, a double bass and a baritone.

After nearly a year the management has secured a drum major in the person of Henry Perrin, who will enter upon his new duties at once. Mr. Perrin is a noted athlete and baton swinger.
